I. PURPOSE

The New York State Department of Corrections and Community Supervision (DOCCS) was awarded a PREA Demonstration grant to continue its efforts in the establishment of “zero tolerance” cultures for sexual assault in all DOCCS’ correctional facilities (BJA-2015-4174).

Below appears the grant goal applicable to this project component:

Develop and provide trauma treatment programs to greatly enhance DOCCS’ ability to meet the needs of inmates who have suffered trauma, including those who have been sexually abused in custody. Pilot groups of inmate programs to include males, females, LGBTQ community members and adolescent male offenders.

The New York State Department of Corrections and Community Supervision (DOCCS) invites applications from not-for-profit and for-profit providers for proposals from training and clinical experts to provide a trauma treatment curriculum, staff training, implementation assistance and clinical support in prisons operated by DOCCS.

The successful bidder will be required to report on a number of expected performance measures indicated below and to adhere to a project deliverable timeline, with the timeline established between the two parties once the sub-grant is awarded.

Within the past decade, DOCCS has taken incremental steps in ensuring all staff have a fundamental understanding of trauma-informed care and de-escalation strategies. Further, trauma treatment programming has been implemented and staff trained in trauma treatment strategies at select female correctional facilities. Trainings included: *Understanding and Addressing the Impact of Trauma on the Lives of Individuals in the Justice System* (Joan Gillece, Ph.D., Shairi Turner, MD, Tonier Cain), *TAMAR: Trauma Addiction Mental Health and Recovery* (David Washington, LGSW, LCADC), *Female Trauma Survivors Recovery Program* (Pamela Wright, retired Associate Director of Forensic Services, Inc. of Family Services, Inc.), and *Recognizing Female Trauma and Deescalating* (Pamela Wright).

In 2007, the Trauma Recovery and Empowerment Model (TREM), which includes components of empowerment, trauma recovery, closing rituals, modifications and supplements for special populations, was implemented in select female correctional facilities. The model was tailored, however, to meet challenges faced by DOCCS’ system and culture at that time. Currently, responsible staff may use elements of this model, but not consistently nor as intended.

A key obstacle to the provision of trauma treatment is the recruitment, training, clinical supervision, and retention of qualified professionals given the constructs of DOCCS' correctional facilities. Further, potential participants are often assigned to programs with a residential component, educational mandate, and/or early release consideration upon satisfactory completion. Voluntary participation in trauma treatment programming requires an ability to meet assessed program needs in conjunction with, or prior to, such participation.

Modalities supported by best practice and evidence, which may include modular and/or residential for men, women, and adolescents all of which are to be inclusive and sensitive to the LGBTQ population, must be described for the following facilities (see Attachment M – Map of Correctional Facility Locations):

Designation	Correctional Facility	Security Level
Female	Albion	Medium
Female	Bedford Hills	Maximum
Female	Taconic	Medium
Male	Gouverneur	Medium
Male	Groveland Main	Medium
Adolescent	Adirondack *	Medium
Adolescent	Hudson	Medium

**opening 10/1/18*

The anticipated contract start date will be effective July 2018, or upon approval by the Office of the State Comptroller (OSC).

II. BACKGROUND AND DEMOGRAPHIC PROFILE

DOCCS is a criminal justice agency responsible for continuum of care from the moment an offender enters the correctional system until he or she successfully completes the required period of community supervision. Release from incarceration may occur by discretionary action of the Parole Board, by statutory release based on “good time” credit (conditional release), or, in the case of determinate sentences, release to post-release supervision.

The Mission of DOCCS is:

“To improve public safety by providing a continuity of appropriate treatment services in safe and secure facilities where all inmates' needs are addressed and they are prepared for release, followed by supportive services for all parolees under community supervision to facilitate a successful completion of their sentence.”

Goals

- Create and maintain an atmosphere where all inmates, parolees, staff, volunteers and visitors feel secure.
- Develop and implement individualized treatment plans for each inmate and parolee that includes post release reentry plans.
- Teach inmates and parolees the need for discipline and respect, and the importance of developing a principled work ethic.
- Establish a risks/needs/responsivity approach to programming, treatment, and community supervision to ensure a continuity of services.
- Assist all staff by providing the requisite training and resources needed to perform their duties while enhancing their skills.
- Offer career development opportunities for all staff.
- Ensure workforce stability through mentoring and succession planning.

Values

- Operate with ethical behavior.
- Recognize the value of each person.
- Protect human dignity.
- Offer leadership and support to all.
- Offer respect and structure at all times.

Policies

- Offer opportunities for inmates and parolees to improve their skills, and to receive individual treatment services, based on their ability and willingness to participate.
- Provide psychiatric and medically necessary services to those requiring such care and treatment so that each inmate and parolee can maximize his/her own state of health and rehabilitation.
- Provide a level of community supervision based on the releasee's needs and behavior.
- Establish an orderly and productive environment that fosters respect through open communication, sound structure and fair treatment.

On January 1, 2018, there were approximately 49,480 offenders under active supervision within New York State. Of these, 95% are male, 48% Black, 24% Hispanic and 24% White. Twenty-nine percent are between 16 and 29 years of age, 30% between 30 and 39 years of age, 21% between 40 and 49, and the remaining 21% are 50 years of age or older. The crimes of conviction for 73% of this population involve crimes against persons/violent crimes, 12% involve property/non-violent crimes, 14% involve drug related offenses, and 2% are adjudications as Adolescent Offenders or are Juvenile Offenders.

III. WORK PLAN

The required Work Plan is included as *Attachment A* to the RFA **and** included in the *Attachment A-1* on the Grants Gateway.

1. The bidder can provide the services to inmates as described in Section III, *Work Plan*, and *Attachment A, Work Plan*, in a manner that best meets the needs and operation of DOCCS.
2. The program will start in July 2018, contingent on OSC approval of the resulting contract.
3. The bidder's background and experience qualifies them to provide these services and that they have the fiscal integrity and organizational structure to support this undertaking.
4. The bidder will comply with all standards and appropriate regulations governing contracts with the State of New York.
5. M/WBE Compliance: (Attachment F) The contractor is willing to make good faith efforts to promote the use of M/WBEs and work with DOCCS to achieve M/WBE goals established by this agency - M/WBE Program relative to subcontracting or purchasing of supplies from Minority and Women-Owned Business and as a condition of this procurement, the Contractor and DOCCS agree to be bound by the provisions of §316 of Article 15-A of the New York State Executive Law regarding enforcement as stated below:

Subject to the requirements of Article 15-A of the Executive Law, DOCCS has established MBE (minority-business enterprises) goals of **zero (0) percent**, and **zero (0) percent** participation for WBE (women-owned business enterprises) of the dollar value of this agreement by certified M/WBEs as subcontractors and suppliers on this project for the provisions of services and materials. Note that percentages may vary according to M/WBE availability and the type of service or commodity DOCCS contracts in certain areas of the state.

In accordance with Section 312 of Executive Law: Article 15-A, EEO (Equal Employment Opportunity) regulations mandate that all contractors and/or subcontractors as a precondition to entering into a valid and binding State contract shall agree: not to discriminate against any employee or bidder for employment because of race, creed, color, national origin, sex, age, disability or marital status, and will undertake or continue existing programs of affirmative action. The contractor and/or subcontractor shall also submit Form EEO-100, *Staffing Plan*, (*Attachment F*) illustrating the anticipated workforce to be utilized on the contract, and an *EEO Policy Statement* (*Attachment F*). After the contract is awarded, quarterly compliance reports will be requested from the contractor. Quarterly report forms will be supplied to the Contractor by DOCCS' M/WBE liaison. Applicants can download the *EEO Policy Statement* and the *Staffing Plan* from the *Pre-Submission Uploads* page in the Gateway. Complete the forms, and upload the completed forms to the same location of the *Pre-Submission Uploads* page.

Selected bidders should be prepared to submit Form M/WBE 100, *Utilization Plan*, which meets the goal requirements above within seven (7) business days after date of notification by DOCCS. DOCCS' M/WBE liaison can assist the bidders in identifying certified M/WBE firms within the bidders' geographic areas. For more information on M/WBE, or to locate New York State Certified M/WBEs, access the directory at: www.esd.ny.gov/MWBE.html

6. SERVICE-DISABLED VETERAN-OWNED BUSINESS (SDVOB)

Article 17-B of the Executive Law enacted in 2014 acknowledges that Service-Disabled Veteran-Owned Businesses (SDVOBs) strongly contribute to the economies of the State and the nation. As defenders of our nation and in recognition of their economic activity in doing business in New York State, bidders/proposers for this contract for commodities, services or technology are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles. SDVOBs can be readily identified on the directory of certified businesses at http://ogs.ny.gov/Core/docs/CertifiedNYS_SDVOB.pdf.

For purposes of this procurement, the DOCCS hereby establishes an overall goal of **zero (0) percent** for SDVOB participation based on the current availability of qualified SDVOBs. Bidders/proposers need to be aware that all authorized users of this contract will be strongly encouraged to the maximum extent practical and consistent with legal requirements of the State Finance Law and the Executive Law to use responsible and responsive SDVOBs in purchasing and utilizing commodities, services and technology that are of equal quality and functionality to those that may be obtained from non-SDVOBs. Furthermore, bidders/proposers are reminded that they must continue to utilize

small, minority and women-owned businesses consistent with current State law. Utilizing SDVOBs in State contracts will help create more private sector jobs, rebuild New York State's infrastructure, and maximize economic activity to the mutual benefit of the contractor and its SDVOB partners. SDVOBs will promote the contractor's optimal performance under the contract, thereby fully benefiting the public sector programs that are supported by associated public procurements.

Public procurements can drive and improve the State's economic engine through promotion of the use of SDVOBs by its contractors. The State, therefore, expects bidders/proposers to provide maximum assistance to SDVOBs in their contract performance. The potential participation by all kinds of SDVOBs will deliver great value to the State and its taxpayers.

In keeping with the Prison Rape Elimination Act (PREA), DOCCS has zero tolerance for sexual abuse or sexual harassment. DOCCS recognizes that inmates and parolees have the right to be free from sexual abuse and sexual harassment.

Orientation and periodic training: Contractor shall require each Contract Service Provider who, through the performance of their duties under this Contract will work within a correctional facility and have contact with inmates, to participate in general PREA training (“Sexual Abuse Prevention and Response Introduction/Refresher”) prior to providing services under the Contract. Such training shall be conducted at the Correctional Facility and each Contract Service Provider shall sign an acknowledgement form that they have completed and understand the training that has been provided. To the extent that such services involving contact with inmates extend beyond six (6) months in duration, periodic training, including review of annual written refresher information (DOCCS Training Bulletin #7) and refresher training at least every two years, is also mandatory.

The training will address Contract Service Provider’s responsibilities under the Department’s sexual abuse and sexual harassment prevention, detection, and response policies and procedures pursuant to PREA. This includes zero-tolerance for sexual abuse and sexual harassment; Providers duties to report allegations of sexual abuse, harassment or retaliation; the right of inmates to be free from sexual abuse and harassment; how to avoid inappropriate relationships with inmates; how to communicate effectively and professionally with inmates including lesbian, gay, bisexual, transgender, intersex, and gender nonconforming inmates; and other requirements.

Contract Service Providers will read the most updated version of the Policy on the Prevention of Sexual Abuse of Inmates and Training Bulletin 7 “PREA: Sexual Abuse Prevention and Response”. Each Contract Service Provider must acknowledge receipt in writing that they will be held accountable for and act in accordance with the policy and the law.

Prohibition of Sexual Misconduct: Contract Service Providers are prohibited from having any sexual contact or engaging in any sexual conduct with an inmate. In accordance with Penal Law section 130.05, it is a crime for any employee to engage in sexual conduct or sexual contact with an inmate. For purposes of Penal Law section 130.05, an employee also includes any person providing direct services to inmates in a State correctional facility pursuant to a contractual arrangement with the Department or, in the case of a volunteer, a written agreement with the Department.

Any Contract Service Provider who engages in sexual abuse shall be prohibited from contact with inmates and shall be reported to law enforcement agencies, unless the activity was clearly not criminal, and to relevant licensing bodies. DOCCS shall take appropriate remedial measures, and shall consider whether to prohibit further contact with inmates, in the case of any other violation of agency sexual abuse or sexual harassment policies by a Contract Service Provider.

9. BACKGROUND CHECK REQUIREMENTS

Requirements

Background checks are required for all Contract Service Providers to the extent that performance of their duties under this Contract will require work within a correctional facility. As set forth below,

DOCCS shall perform a criminal background records check of each Contract Service Provider providing services within a Correctional Facility under the contract in accordance with Directive #2216 “Fingerprinting/Criminal History Inquiry – New Employees, and Contractors.”

B. Provider Removal: If a Contractor becomes aware that any Contract Service Provider becomes a potential unacceptable risk to the State, the Contractor shall immediately notify the Contract Manager, and a DOCCS shall decide if it is necessary to remove that Contract Service Provider from the site. If a Contract Service Provider is removed, the Contractor will propose a qualified substitute. DOCCS may waive the removal of a Contract Service Provider by providing a written waiver to the Contractor. Should DOCCS find a Contract Service Provider to be an unacceptable risk to the State, DOCCS shall notify the Contractor and may request that the Contractor provide a replacement.

Master File: “Master File” shall mean an electronic file maintained by Contractor for each Provider servicing the correctional facility. The Master File must include: qualifications, certifications, licenses, and background checks.

B. For-profit Providers ONLY should complete the following forms:

Compliance with State Finance Law §139j and §139k* New York State Finance Law §139-k(5) requires that every Procurement Contract award subject to the provisions of State Finance Law §§139-k or 139-j shall contain a certification by the Contractor that all information provided to the DOCCS with respect to State Finance Law §139-k is complete, true and accurate. State Finance Law §§139-j and 139-k, also imposes certain restrictions on communications between the DOCCS and Contractors during the procurement process. Potential Contractors are restricted from making contacts from the earliest notice of intent to solicit offers pursuant to the “Request for Application (RFA)” through final award and approval of the Procurement Contract by DOCCS and, if applicable, Office of the OSC (“restricted period”) to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j(3)(a).

Please note that during the RFA process DOCCS is required to determine the responsibility of “the proposed Contractors/Providers.” Certain findings of non-responsibility can result in rejection for contract award and in the event of two such findings within a four-year period during which the Contractor will be debarred from obtaining governmental Procurement Contracts.

In addition, New York State Finance Law §139-k(2) obligates DOCCS to obtain specific information regarding prior non-responsibility determinations with respect to State Finance Law §139-j. This information must be collected in addition to the information that is separately obtained pursuant to State Finance Law §163(9). In accordance with State Finance Law §139-k, potential Contractor must be asked to disclose if there has been a finding of non-responsibility made within the previous four (4) years by the Department due to: (a) a violation of State Finance to DOCCS. The terms “Offerer” and “Governmental Entity” are defined in State Finance Law § 139-k(1). State Finance Law §139-j sets forth detailed requirements about the restrictions on contacts during the procurement process. A violation of State Finance Law §139-j includes, but is not limited to, an impermissible contact during the restricted period (for example, contacting a person or entity other than the designated contact person, when such contact does not fall within one of the exemptions).

As part of its responsibility determination, State Finance Law §139-k(3) mandates consideration of whether a Contractor fails to timely disclose accurate or complete information regarding the above non-responsibility determination. In accordance with law, no Procurement Contract shall be awarded to any Contractor that fails to timely disclose accurate or complete information under this section, unless a finding is made that the award of the Procurement Contract to the Contractor is necessary to protect public property or public health safety, and that the Contractor is the only source capable of supplying the required Article of Procurement within the necessary timeframe.

DOCCS must obtain the required certifications that the information in your application is complete, true and accurate and if any prior findings of non-responsibility, such as non-responsibility pursuant to State Finance Law §139-j exist.

***All For-Profit providers submitting an application pursuant to this RFA must upload the completed Procurement Lobbying Certification with their applications. X. EVALUATION PROCESS

DOCCS will award contracts based upon evaluation of all aspects of the program according to the needs of the agency and the best interests of the State of New York. Award will go to the vendor whose application provides the **best value** as determined by DOCCS, pursuant to NYS Finance Law §103 1j. This is defined as the most beneficial **combination of quality and costs** for the services being requested. If two offers are found to be equal, price shall be the basis for determining the award recipient. The basis for determining the award shall be documented in the procurement record.

A committee of DOCCS personnel, consisting of approximately four to ten DOCCS' staff members from various DOCCS' offices, will evaluate applications independently to determine which applications are most capable of implementing DOCCS' requirements based on the following criteria:

Eligibility Review (Pass/Fail)

Phase I will consist of a review of each application to ensure that all mandatory requirements are met. Failure to meet any mandatory requirement in the application will result in the application being considered non-responsive, and it will be eliminated from further evaluation. All applications that meet the mandatory requirements will move to the Program Review.

Program Review

The Program Review will consist of an evaluation of your detailed application *Program-Specific Questions* in the Grants Gateway (also see *Attachment C, Program-Specific Questions*):

Section	Category	Points
I	Knowledge, Best Practice, Evidence to Support Program Design	15 points
II	Screening, Admission, Individualized Participant Planning, Progress Evaluation, Discharge	20 points
III	Staffing, Supervision, and Sustainability	15 points
IV	Staff Training and Program Implementation	10 points
V	Program Monitoring and Outcome Plan	10 points

Points will be awarded for responses in each category as listed above using predetermined rating scales. The resulting Program Review scores will be calculated by adding the Total points from each reviewer and dividing that number by the total number of reviewers. This will create an average score for all reviewers' totals. The highest possible score is 70 points.

Cost Review

The Cost Review will consist of an evaluation of your program budget as detailed below:

Budget/Fiscal (25 points)

Programs failing to clearly line out and complete a comprehensive budget proposal (including expenditure based budget, coinciding budget narratives, indirect cost calculations and all other funds) may be disqualified. **NOTE: THE CONTRACT PRICE SHALL BE INCLUSIVE OF ALL TRAVEL COSTS.**

The evaluation of the overall cost of each application, including the application of third-party revenue and all other funds will be performed, as follows:

The lowest cost (factoring in any proposed third-party revenue, and all other funds) will receive 25 points. Other proposals in that area will receive points in direct proportion to the lowest cost/slot proposal in that area.

Bidder Presentations (5 points)

Bidder presentations will be held for all Finalists. Presentations will be conducted via videoconferencing. Finalists who cannot be contacted to arrange an interview after three attempts may be disqualified. Each Finalist will be notified of the date and time of their presentation. The presentation should demonstrate the Bidder's and/or proposed subcontractor's ability to provide the required services. The Bidder's key staff are strongly encouraged to attend the Presentation.

Contract Award

Awards will be made to applications with the highest total point allocation. The total point allocation is calculated by adding the sum of an application's score for the Program Review, Cost Score Review and Presentation Score.

In addition, DOCCS will provide for the monitoring of business management, administration of the program, monitoring of rehabilitation services provided to inmates, and periodically conduct on-site program reviews.

The Contractor shall designate an administrative liaison for the program and fiscal management of the contract. DOCCS will designate a Contract Manager on the local level who will coordinate and manage the involvement with the Department and the provider.

Contract objectives and performance measures will be utilized to evaluate Contractor performance throughout the term of the contract.

2. The Contractor shall attend and participate in meetings with DOCCS staff for training, technical overview of performance under this contract, problems encountered, and recommendations for program improvements.
3. The Commissioner of DOCCS or designee shall have immediate and on-going access to all records, including any electronic records, pertaining to inmates. Non-compliance with this section constitutes a violation of the terms of the contract and can result in immediate termination of the contract.
4. The Contractor shall establish adequate record-keeping systems that will ensure prompt, complete submission of all fiscal forms to DOCCS as required.

Prior to the commencement of the work to be performed by the Contractor hereunder, the Contractor shall file with The People of the State of New York, DOCCS, Certificates of Insurance (hereinafter referred to as "Certificates"), evidencing compliance with all requirements. Such Certificates shall be of a form and substance acceptable to DOCCS.

Contractors shall be required to procure, at their sole cost and expense, and shall maintain in force at all times during the term of any Contract resulting from this Solicitation, policies of insurance as required by this Section. All insurance required by this Section shall be written by companies that have an A.M. Best Company rating of "A-," Class "VII" or better. In addition, companies writing insurance intended to comply with the requirements of this Section should be licensed or authorized by the New York State Department of Financial Services to issue insurance in the State of New York. DOCCS may, in its sole discretion, accept policies of insurance written by a non-authorized carrier or carriers when certificates and/or other policy documents are accompanied by a completed Excess Lines Association of New York (ELANY) affidavit or other documents demonstrating the company's strong financial rating. If, during the term of a policy, the carrier's A.M. Best rating falls below "A-," Class "VII," the insurance must be replaced, on or before the renewal date of the policy, with insurance that meets the requirements above.

The Contractor shall not take any action, or omit to take any action that would suspend or invalidate any of the required coverages during the term of the Contract.

- A. General Conditions Applicable to Insurance. All policies of insurance required by this Solicitation or any Contract resulting from this Solicitation shall comply with the following requirements:
 - 1. Coverage Types and Policy Limits. The types of coverage and policy limits required from Bidders and Contractors are specified in Paragraph B Insurance Requirements below.
 - 2. Policy Forms. Except as otherwise specifically provided herein, or agreed to in the Contract resulting from this Solicitation, all policies of insurance required by this Section shall be written on an occurrence basis.

3. **Certificates of Insurance/Notices.** Bidders and Contractors shall provide DOCCS with a Certificate or Certificates of Insurance, in a form satisfactory to DOCCS as detailed below, and pursuant to the timelines set forth in Section B below. Certificates shall reference the Solicitation or award number and shall name The New York State Department of Corrections and Community Supervision, Harriman Campus, 1220 Washington Avenue, Albany, New York 12226-2050, as the certificate holder.

Certificates of Insurance shall

- Be in the form acceptable to DOCCS and in accordance with the New York State Insurance Law (e.g., an ACORD certificate);
- Disclose any deductible, self-insured retention, aggregate limit or exclusion to the policy that materially changes the coverage required by this Solicitation or any Contract resulting from this Solicitation;
- Refer to this Solicitation and any Contract resulting from this Solicitation by award Contract number;
- Be signed by an authorized representative of the referenced insurance carriers; and
- Contain the following language in the Description of Operations / Locations / Vehicles section: Additional insured protection afforded is on a primary and non-contributory basis. A waiver of subrogation is granted in favor of the additional insureds.

Only original documents (certificates of insurance and any endorsements and other attachments) or electronic versions of the same that can be directly traced back to the insurer, agent or broker via e-mail distribution or similar means will be accepted.

DOCCS generally requires Contractors to submit only certificates of insurance and additional insured endorsements, although DOCCS reserves the right to request other proof of insurance. Contractors should refrain from submitting entire insurance policies, unless specifically requested by DOCCS. If an entire insurance policy is submitted but not requested, DOCCS shall not be obligated to review and shall not be chargeable with knowledge of its contents. In addition, submission of an entire insurance policy not requested by DOCCS does not constitute proof of compliance with the insurance requirements and does not discharge Contractors from submitting the requested insurance documentation.

4. **Primary Coverage.** All liability insurance policies shall provide that the required coverage shall be primary and non-contributory to other insurance available to the People of the State of New York, the New York State Department of Corrections and Community Supervision, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees. Any other insurance maintained by the People of the State of New York, the New York State Department of Corrections and Community Supervision, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees shall be excess of all applicable Contractor's insurance, including any umbrella and/or excess policies, and shall not contribute with the Bidder/Contractor's insurance.

5. **Breach for Lack of Proof of Coverage.** The failure to comply with the requirements of this Section at any time during the term of the Contract shall be considered a breach of the terms of the Contract and shall allow the People of the State of New York, the New York State Department of Corrections and Community Supervision, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees to avail themselves of all remedies available under the Contract or at law or in equity.
6. **Self-Insured Retention/Deductibles.** Certificates of Insurance must indicate the applicable deductibles/self-insured retentions for each listed policy. Deductibles or self-insured retentions above \$100,000.00 are subject to approval from DOCCS. Such approval shall not be unreasonably withheld, conditioned or delayed. Bidders and Contractors shall be solely responsible for all claim expenses and loss payments within the deductibles or self-insured retentions. If the Bidder/Contractor is providing the required insurance through self-insurance, evidence of the financial capacity to support the self-insurance program along with a description of that program, including, but not limited to, information regarding the use of a third-party administrator shall be provided upon request. If the Contractor is unable to meet their obligation under any deductible, self-insured retention or self-insurance, neither the People of the State of New York nor DOCCS will be obligated to drop down to cover those amounts.
7. **Subcontractors.** Prior to the commencement of any work by a Subcontractor, the Contractor shall require such Subcontractor to procure policies of insurance as required by this Section and maintain the same in force during the term of any work performed by that Subcontractor.
8. **Waiver of Subrogation.** For all liability policies and the workers' compensation insurance required below, the Bidder/Contractor shall cause to be included in its policies insuring against loss, damage or destruction by fire or other insured casualty a waiver of the insurer's right of subrogation against The People of the State of New York, the New York State Department of Corrections and Community Supervision, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees, or, if such waiver is unobtainable (i) an express agreement that such policy shall not be invalidated if the Contractor waives or has waived before the casualty, the right of recovery against The People of the State of New York, the New York State Department of Corrections and Community Supervision, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees or (ii) any other form of permission for the release of The People of the State of New York, the New York State Department of Corrections and Community Supervision, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees. A Waiver of Subrogation Endorsement shall be provided upon request. A blanket Waiver of Subrogation Endorsement evidencing such coverage is also acceptable.

9. **Additional Insured.** The Contractor shall cause to be included in each of the liability policies required below, coverage for on-going and completed operations naming as additional insureds (via ISO coverage forms CG 20 10 04 13 and CG 20 37 04 13 and form CA 20 48 10 13, or a form or forms that provide equivalent coverage): The People of the State of New York, the New York State Department of Corrections and Community Supervision, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees. An Additional Insured Endorsement evidencing such coverage shall be provided to DOCCS pursuant to the timelines set forth in Section B below. A blanket Additional Insured Endorsement evidencing such coverage is also acceptable. For Contractors who are self-insured, the Contractor shall be obligated to defend and indemnify the above-named additional insureds with respect to Commercial General Liability and Business Automobile Liability, in the same manner that the Contractor would have been required to pursuant to this Section had the Contractor obtained such insurance policies.
10. **Excess/Umbrella Liability Policies.** Required insurance coverage limits may be provided through a combination of primary and excess/umbrella liability policies; however, a minimum of one million dollars (\$1,000,000.00) must be primary coverage for general liability and auto liability. All Contractor's applicable insurance policies, including umbrella and excess insurance, will be primary to any insurance, self-insurance, deductible or self-insured retention of The People of the State of New York, the New York State Department of Corrections and Community Supervision, or any entity authorized by law or regulation to use the Contract and their officers, agents, and employees. If coverage limits are provided through excess/umbrella liability policies, then a Schedule of underlying insurance listing policy information for all underlying insurance policies (insurer, policy number, policy term, coverage and limits of insurance), including proof that the excess/umbrella insurance follows form must be provided upon request.
11. **Notice of Cancellation or Non-Renewal.** Policies shall be written so as to include the requirements for notice of cancellation or non-renewal in accordance with the New York State Insurance Law. Within five (5) business days of receipt of any notice of cancellation or non-renewal of insurance, the Contractor shall provide DOCCS with a copy of any such notice received from an insurer together with proof of replacement coverage that complies with the insurance requirements of this Solicitation and any Contract resulting from this Solicitation.
12. **Policy Renewal/Expiration** Upon policy renewal/expiration, evidence of renewal or replacement of coverage that complies with the insurance requirements set forth in this Solicitation and any Contract resulting from this Solicitation shall be delivered to DOCCS. If, at any time during the term of any Contract resulting from this Solicitation, the coverage provisions and limits of the policies required herein do not meet the provisions and limits set forth in this Solicitation or any Contract resulting from this Solicitation, or proof thereof is not provided to DOCCS, the Contractor shall immediately cease work. The Contractor shall not resume work until authorized to do so by DOCCS.

**CONTRACTOR REQUIREMENTS AND PROCEDURES FOR PARTICIPATION BY
NEW YORK STATE CERTIFIED MINORITY AND WOMEN-OWNED BUSINESS
ENTERPRISES AND EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITY
GROUP MEMBERS AND WOMEN**

New York State Law: Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations DOCCS is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises (“MWBEs”) and the employment of minority group members and women in the performance of DOCCS contracts.

Business Participation Opportunities for MWBEs

For purposes of this solicitation, DOCCS hereby establishes an overall goal of **0** percent for MWBE participation, **0** percent for New York State-certified Minority-owned Business Enterprise (“MBE”) participation and **0** percent for New York State-certified Women-owned Business Enterprise (“WBE”) participation (based on the current availability of MBEs and WBEs). A contractor (“Contractor”) on any contract resulting from this procurement (“Contract”) must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this RFP, the bidder agrees that DOCCS may withhold payment pursuant to any Contract awarded as a result of this RFP pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: <https://ny.newnycontracts.com>. For guidance on how DOCCS will evaluate a Contractor’s “good faith efforts,” refer to 5 NYCRR § 142.8.

The bidder understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal.

The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the contract.

In accordance with 5 NYCRR § 142.13, the bidder further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a Contract resulting from this solicitation, such finding constitutes a breach of contract and DOCCS may withhold payment as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

By submitting a bid or proposal, a bidder agrees to demonstrate its good faith efforts to achieve the applicable MWBE participation goals by submitting evidence thereof through the New York State Contract System (“NYSCS”), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that a bidder may arrange to provide such evidence via a non-electronic method by contacting the designated contact(s) for

this procurement. Additionally, a bidder will be required to submit the following documents and information as evidence of compliance with the foregoing:

1. An MWBE Utilization Plan with their bid or proposal. Any modifications or changes to an accepted MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to DOCCS for review and approval.

DOCCS will review the submitted MWBE Utilization Plan and advise the bidder of DOCCS acceptance or issue a notice of deficiency within 30 days of receipt.

2. If a notice of deficiency is issued, the bidder will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to DOCCS, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by DOCCS to be inadequate, DOCCS shall notify the bidder and direct the bidder to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

DOCCS may disqualify a bidder as being non-responsive under the following circumstances:

- a) If a bidder fails to submit an MWBE Utilization Plan;
- b) If a bidder fails to submit a written remedy to a notice of deficiency;
- c) If a bidder fails to submit a request for waiver; or
- d) If DOCCS determines that the bidder has failed to document good faith efforts.

The successful bidder will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to DOCCS, but must be made no later than prior to the submission of a request for final payment on the Contract.

The successful bidder will be required to submit a quarterly M/WBE Contractor Compliance & Subcontractor Payment Report to DOCCS, by the 10th day following each end of quarter as applicable over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

Equal Employment Opportunity Requirements

By submission of a bid or proposal in response to this solicitation, the bidder agrees with all of the terms and conditions of Appendix A – Standard Clauses for All New York State Contracts including Clause 12 - Equal Employment Opportunities for Minorities and Women. The bidder is required to ensure that it and any subcontractors awarded a subcontract for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work"), except where the Work is for the beneficial use of the bidder, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities

without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

The bidder will be required to submit a Minority and Women-owned Business Enterprise and Equal Employment Opportunity Policy Statement to DOCCS with its bid or proposal.

If awarded a Contract, bidder shall submit a Workforce Utilization Report and shall require each of its Subcontractors to submit a Workforce Utilization Report, in such format as shall be required by DOCCS on a quarterly basis as required during the term of the Contract.

Further, pursuant to Article 15 of the Executive Law (the “Human Rights Law”), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and sub-contractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

*NOTE: Teachers, Vocational Instructors, and other 10-month employees assigned to the regular school year will be fingerprinted only once, even when they do not work the summer session. Summer School Teachers/Vocational Instructors will be fingerprinted only once as long as they work every consecutive summer. If there is a break in service and they fail to work one summer, they will be treated as a new employee during future summers, fingerprinted and charged the applicable fee.

NOTE: Paid interns are processed as civilian employees.

NOTE: Non-paid Interns are processed and fingerprinted as volunteers.

3. *Per Diem employees* shall be processed in the same manner as non-uniform (civilian) staff (see Section III-2 above).

Extra service employees who are not DOCCS employees but are assigned to the Department's facilities, Community Supervision offices, or to Central Office will be fingerprinted on the initial date of assignment. Fingerprints will be taken on the FBI FD-258 Applicant card (blue). A journal voucher (JV) must accompany all fingerprint cards in order to provide the required processing fee. Failure to submit the JV will result in a delay in processing. Fingerprint response (RAP sheets) will be retained by EIU. Responses that contain derogatory information that was not revealed when the criminal history inquiry was processed for extra service employees will be reviewed by the Bureau of Personnel in Central Office. Upon notification from personnel to proceed, EIU will notify the sender/submitter of the prints via e-mail and confirm the transaction was successful and there is now a RAP sheet on file at EIU. Where it has been determined that the extra service employee shall no longer enter DOCCS facilities/offices EIU will notify the Superintendent, Regional Director, Division Head, or their designee.
5. *Outside Agency Employees*
 - a. *ITS* employees screening will be performed initially by New York State Police (NYSP). DOCCS will not receive notifications on clean hires. DOCCS will not receive notifications on automatic disqualifications. DOCCS (EIU@doccs.ny.gov) will receive notifications of "hits" on prospective ITS hires that do not automatically disqualify under CJIS, but who ITS wants to place here, so that DOCCS can review to determine suitability. EIU will refer "hits" to OSI; OSI will confer with the Chief Information Officer to determine suitability.

Failure to submit the JV will result in a delay in processing. Fingerprint responses (RAP sheets) will be retained by EIU. Responses that contain derogatory information that was not revealed when the criminal history inquiry was processed for DMV employees will be reviewed by the Director of Personnel. Upon notification from Personnel to proceed, EIU will notify the sender/submitter of the prints via e-mail and confirm the transaction was successful and that there is now a RAP sheet on file at EIU. Where it has been determined that the DMV employee shall no longer enter DOCCS facilities/offices EIU will notify the Superintendent, Regional Director, Division Head, or their designee.

Fingerprint response (RAP sheet) will be retained by EIU. Responses that contain derogatory information that was not revealed when the criminal history inquiry was processed for Contract Service Providers will be reviewed by the Director of Personnel. Upon notification from the Bureau of Personnel to proceed, EIU will notify the sender/submitter of the prints via e-mail and confirm the transaction was successful, and that there is now a RAP sheet on file at EIU. Where it has been determined that the Contract Service Provider shall no longer enter DOCCS facilities/offices, EIU will notify the Superintendent, Regional Director, Division Head, or their designee.

C. Fees*

1. *Correction Officer and Peace Officer applicants* requiring pre-employment screening at EIU must pay the fingerprint processing fee. The \$75 fingerprint processing fee will be made via a U.S. Postal Money Order at the time the applicant is live scanned at EIU.
2. *New non-uniform (civilian) staff* will have the \$75 fingerprint processing fee taken out of their first full paycheck via payroll deduction. When these employees are fingerprinted on the first day of work, the personnel office must notify their payroll office that a fingerprint deduction (per OSC payroll Bulletin #231) needs to be processed. If a non-uniformed civilian staff employee separates from service before they receive a full check, the facility **MUST** obtain the fingerprint fee from any money the employee is due. It is the responsibility of the facility to obtain the fingerprint fee from the employee. Failure to obtain the fingerprint fee will result in the facility making payment from the facility funds to make the fingerprint fee account whole.
3. *Per Diem Employees and Physicians* must pay the fingerprint processing fee. The \$75 fingerprint processing fee will be made via a U.S. Postal Money Order which should accompany the fingerprints when they are forwarded to the EIU.
4. *Extra Service Employees* that are not permanent Department employees assigned to the Department's facilities, Community Supervision offices, or to Central Office will have the fingerprint processing fee paid via JV by the facility/office submitting the fingerprints.
5. *Outside Agency Employees* assigned to the Department's facilities, Community Supervision offices, or to Central Office will have the fingerprint processing fee paid via JV by the facility/office submitting the fingerprints.
6. *Contract Service Providers* assigned to the Department's facilities, Community Supervision offices, or to Central Office will have the fingerprint processing fee paid via JV by the facility/office submitting the fingerprints.

*See the summary Processing Chart, Attachment A.

- D. Audits: Periodic audits of all facilities will be conducted by EIU for compliance of fingerprint submission and collection of fees. Where it has been found that an employee has left service before the fee was collected, in accordance with the procedures of this directive, EIU will notify the facility (DSA and Steward) and the Director of Budget and Finance of the person that left owing fingerprint fees and how much. The Central Office Division of Budget and Finance will contact the facility to process their end of the JV and forward it to Central Office for processing to move the money into the fingerprint fee account.
- E. If suspect information on matters with potential terrorism connections is returned during any inquiry, it shall be forwarded to the local joint terrorism task force or similar agency.

In the event the Regional Director is not immediately available, the Assistant Regional Director shall be notified to avoid any delay.
- D. Any employee who receives a report of sexual abuse or sexual harassment, or has either knowledge or a reasonable belief of any sexual abuse, sexual conduct, sexual contact, sexual harassment, or any act of retaliation against an inmate, parolee, or employee for reporting an incident of sexual abuse or sexual harassment, or for participating in an investigation involving any of those acts, and who fails to report such information, may be subject to disciplinary action.

I. DESCRIPTION: This Directive provides information concerning:

- The prevention of **staff-on-inmate/staff-on-parolee** sexual abuse, sexual harassment, sexual threats, and staff voyeurism;
- The prevention of, detection of, and response to allegations of **staff-on-inmate/staff-on-parolee** sexual abuse, sexual harassment, sexual threats, and staff voyeurism, including prompt and effective intervention to address the safety and treatment needs of an inmate victim of sexual abuse or sexual harassment;
- The duty of all staff to report any allegation of sexual abuse or sexual harassment of an inmate, and to report any actual knowledge or reasonable belief concerning any incident of sexual abuse, sexual harassment, or the existence of an inappropriate relationship between a staff member and an inmate;
- The duty of staff to report any allegation of retaliation for reporting an incident of sexual abuse or sexual harassment, or participating in an investigation of an incident of sexual abuse or sexual harassment;
- The prevention of, detection of, and response to allegations of retaliation for reporting an incident of sexual abuse or sexual harassment, or participating in an investigation of an incident of sexual abuse or sexual harassment; and
- The discipline and/or prosecution of those who commit such acts of sexual abuse, sexual harassment, sexual threats, staff voyeurism, or retaliation.

II. POLICY: The New York State Department of Corrections and Community Supervision has zero tolerance for sexual abuse and sexual harassment. Inmates and parolees have the right to be free from sexual abuse and sexual harassment. Sexual abuse and sexual harassment violate Department rules and threaten security. All allegations of sexual abuse, sexual harassment, or retaliation against staff, an inmate, or a parolee for reporting such an incident or participating in an investigation will be thoroughly investigated. Furthermore, any perpetrator of a sexual abuse or sexual harassment incident will be dealt with severely through discipline or prosecution to the fullest extent permitted by law.

It is the policy of the Department that staff-on-inmate/staff-on-parolee sexual conduct is sexual abuse and is not to be tolerated. Every incident of staff sexual conduct with an inmate or parolee presents a threat to the security of the facility and the Department. All allegations of sexual abuse, sexual harassment, sexual threats, staff voyeurism, or retaliation concerning such an incident will be thoroughly investigated.

Under § 130.05 of NYS Penal Law, an inmate or parolee cannot legally consent to any sexual act with an employee, contract employee, or volunteer (i.e., "staff"). It is a crime for staff to engage in a sexual act with an inmate or parolee. A staff person who engages in sexual conduct, including sexual contact with an inmate or parolee, is guilty of a sex offense even if the inmate or parolee "willingly" participates or manipulates the staff member.

Sexual conduct with a person committed to the custody of the Department is a crime whether it occurs inside a correctional facility, during transportation outside a correctional facility, or while the person is a participant in a temporary release program. Any sexual abuse of an inmate or parolee by a staff member will be prosecuted to the fullest extent of the law.

NOTE: Any incident of sexual assault on staff by an inmate or parolee will be immediately reported to the Office of Special Investigations and handled in accordance with established Department policy for investigation and criminal prosecution of inmates (see Directive #6910, "Criminal Prosecution of Inmates").

III. DEFINITIONS

V. **PROCEDURE**

A. Training

1. In accordance with the Department of Corrections and Community Supervision Training Manual, all employees shall receive, during initial training and as in-service training instruction that relates to the prevention, detection, response, and investigation of sexual abuse and sexual harassment in a correctional environment. Training includes initial training, refresher training at least every two years, orientation training upon reassignment to another correctional facility, and annual refresher information.
2. All contractors and contract employees, volunteers, and interns shall receive orientation and periodic in-service training consistent with their level of inmate contact relating to the prevention, detection, and response to sexual abuse and sexual harassment.
3. All inmates shall receive during orientation at reception, and at facility orientation after transfer, information which addresses sexual abuse and sexual harassment. The information shall be communicated orally and in writing, in a language clearly understood by the inmates. This information will address prevention, self-protection (situation avoidance), reporting sexual abuse and sexual harassment, and the availability of treatment and counseling.

- B. Reporting and Investigation of Staff-on-Inmate/Staff-on-Parolee Sexual Abuse, Sexual Harassment or Sexual Threats: An inmate or parolee may report an incident of sexual abuse, sexual harassment, sexual threats, staff voyeurism or any act of retaliation for reporting such an incident or for participating in an investigation of such an allegation to any employee. The initial inmate or parolee report may be verbal or in writing. For reporting purposes under this Directive, "employee" includes any employee, contractor or contract employee, volunteer, or intern of the Department, or any employee, contractor or contract employee assigned to work in a Department correctional facility by any other State agency.
1. An employee who receives a report that an inmate or parolee is the victim of an incident of sexual abuse, sexual harassment, sexual threats, or staff voyeurism must be aware of the sensitive nature of the situation. The victim must be treated with due consideration for the effects of sexual abuse and sexual harassment.
 2. Any employee who receives a report of sexual abuse, sexual harassment, sexual threats, staff voyeurism, or any act of retaliation for reporting such an incident or for participating in an investigation of such an allegation shall:
 - a. Any facility-based employee shall report the information immediately to their supervisor, who shall immediately notify the Watch Commander. In the event the supervisor is not available, the employee shall immediately notify the Watch Commander directly.
 - b. Any community-based employee who receives a report involving an inmate or parolee, who is being supervised in the community has a duty to report such information to the Supervising Parole Officer (Bureau Chief) who shall immediately notify the Regional Director. In the event the Supervising Parole Officer (Bureau Chief) is not available, the employee shall immediately notify the Regional Director. In the event the Regional Director is not immediately available, the Assistant Regional Director shall be notified to avoid any delay.
 - c. The employee shall report the specific details, in writing, to the Watch Commander or Supervising Parole Officer (Bureau Chief) immediately or as soon as possible after verbal notification, and no later than the end of the shift.
 - d. A medical practitioner who receives such information in the course of providing medical treatment to an inmate is required to report the minimum information necessary as set forth in the Department of Corrections and Community Supervision Health Services Policy Manual (HSPM) 1.60.
 - e. Immediate notification shall be made to the Office of Special Investigations in accordance with Directive #4028B, "Sexual Abuse Reporting & Investigation – Staff-on-Inmate/Staff-on-Parolee."
 3. The Watch Commander shall initiate the sexual abuse protocols in accordance with the facility's Coordinated Response Plan to an Incident of Inmate Sexual Abuse, including securing the crime scene, where appropriate.
 4. Reports of sexual abuse and sexual harassment are confidential and information, including but not limited to the identity of the victim, the identity of the person reporting the sexual abuse or sexual harassment, the identity of witnesses and the identity of the alleged perpetrator, is only to be shared with essential employees involved in the reporting, investigation, discipline, and treatment process, or as otherwise required by law.

5. No retaliation of any kind shall be taken against an inmate, parolee or employee for good faith reporting of sexual abuse, sexual harassment, or sexual threats.
6. A prompt, thorough, and objective investigation shall be conducted in all instances of reported sexual abuse, sexual harassment, inappropriate relationships, and retaliation for reporting such an incident. As directed herein and in accordance with Directive #0700, "Office of Special Investigations (OSI)," and other applicable department policies, this investigation shall be initiated promptly and shall be the responsibility of the Office of Special Investigations who shall determine the appropriate investigative response.

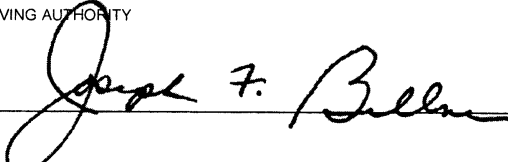

NOTE: Allegations of staff-on-inmate/staff-on-parolee sexual abuse or inappropriate relationships, may be reported to appropriate law enforcement officials and/or prosecutors by the Department's Office of Special Investigations. A person is guilty of falsely reporting an incident if it is proven beyond a reasonable doubt that, knowing the information reported, conveyed, or circulated to be false or baseless, he or she reports to a law enforcement officer or agency the alleged occurrence of an offense or incident which did not in fact occur (Penal Law § 240.50). A report made in good faith based upon a reasonable belief that the alleged conduct did occur does not constitute falsely reporting an incident or lying for the purpose of disciplinary action, even if investigation does not establish evidence sufficient to substantiate the allegation.

- C. Discipline and Prosecution: When investigation substantiates an allegation of sexual abuse and/or inappropriate relationships, it is the Department's policy to refer such incident to the appropriate law enforcement agency or prosecutor, through the Department's Office of Special Investigations, for consideration of criminal charges. Any conduct constituting sexual abuse, sexual harassment, staff voyeurism, inappropriate relationships or any act of retaliation against an inmate, parolee, or employee for reporting an incident of sexual abuse, sexual harassment, staff voyeurism, inappropriate relationships, or for participating in an investigation involving any of those acts may be the basis for disciplinary action whether or not prosecution or a conviction results.

VI. STAFF DUTY TO REPORT

- A. An inmate or parolee may report an incident of sexual abuse, sexual harassment, sexual threats, or an allegation of retaliation concerning such an incident to any employee. The employee shall immediately notify his or her supervisor pursuant to Section V above. The initial inmate or parolee report may be verbal or in writing.
- B. In addition to reporting an allegation of sexual abuse, sexual harassment, sexual threats, or retaliation as reported by an inmate or parolee, all employees, regardless of title, are under a duty to report:
 1. Any knowledge, suspicion, or information regarding an incident of sexual abuse or sexual harassment that occurred in a facility, whether or not the facility is part of the Agency including:
 - a. Any sexual conduct (sexual intercourse, oral sexual conduct, anal sexual conduct, aggravated sexual contact, or sexual contact) between another employee and an inmate or parolee;
 - b. Any inappropriate relationship between another employee and an inmate or parolee;
 - c. Any act of staff voyeurism; or

- d. Any allegation of retaliation for reporting an incident of sexual abuse, or for participating in an investigation of an allegation of sexual abuse.
 - 2. Retaliation against inmates, parolees, or staff who reported such an incident; and
 - 3. Any staff neglect or violation of responsibilities that may have contributed to an incident or retaliation.
- C. Any employee having either knowledge or a reasonable belief of any sexual abuse or sexual conduct, including sexual contact, taking place or having taken place between any employee and an inmate or parolee, sexual harassment, any inappropriate relationship between any employee and an inmate or parolee, or any act of staff voyeurism has a duty to report such information.
- 1. Any facility-based employee shall report such information to their supervisor, who shall immediately notify the Watch Commander. In the event the supervisor is not available, the employee shall immediately notify the Watch Commander directly.
 - 2. Any community-based employee shall report such information to the Supervising Parole Officer (Bureau Chief) who shall immediately notify the Regional Director. In the event the Supervising Parole Officer (Bureau Chief) is not available, the employee shall immediately notify the Regional Director. In the event the Regional Director is not immediately available, the Assistant Regional Director shall be notified to avoid any delay.
- D. Any employee who receives a report of sexual abuse or sexual harassment, or has either knowledge or a reasonable belief of any sexual abuse, sexual conduct, sexual contact, sexual harassment, inappropriate relationship or staff voyeurism between an employee and an inmate or parolee, or any act of retaliation against an inmate, parolee, or employee for reporting an incident of sexual abuse, sexual harassment, staff voyeurism, inappropriate relationship, or for participating in an investigation involving any of those acts, and who fails to report such information, may be subject to disciplinary action.

DIRECTIVE

REFERENCES (Include but are not limited to) Directives #2115, #3083, #4900, #4910, #4937, #4938; Employees' Manual		APPROVING AUTHORITY 		

- I. **PURPOSE:** The presence of contraband within a Department workplace or a correctional facility and its possibility of subsequent possession and/or use by inmates threatens the security of the facility; it endangers the safety of inmates, employees, visitors, and the community.

Introducing or possessing contraband in a facility is a violation of the New York Penal Law and Department of Corrections and Community Supervision (DOCCS) Rules and Regulations and violators are to be prosecuted. Employees attempting to introduce contraband or who are in possession of contraband shall be subject to both prosecution and disciplinary action.

Sound security operations require routine, periodic, and special searches of all persons entering the workplace. This directive outlines the security procedures to be followed in searching employees while on Department property, which may include work spaces. See also Directive #4900, "Security in Gate Areas/Secure Posts," and Directive #4910, "Control of & Search for Contraband."

- II. **GUIDELINES:** Section 2.30 of the Department's Employees' Manual states:

Any employee on Department property or while on duty is subject to search, which may include workspaces. All employees will routinely be subjected to a metal detector search and packages and other articles carried into the workplace may be routinely inspected. Pat or strip searches may be conducted. Any article that may not be properly taken into or out of the facility may be confiscated and turned over to the Officer in Charge for appropriate disposition. Refusal by an employee to submit to a search is insubordination, shall be cause to refuse him or her entrance to the facility or workplace, and may constitute grounds for disciplinary action. The Department's policy and procedures concerning such searches are contained in Directive #4936, "Search of DOCCS Employees."

Among the many procedures that may be taken to ensure safe and secure facilities and workplaces is the procedure that permits the searching of employees at any time they are on Department property. The need for this procedure has been demonstrated by those occasions when employees have been found to possess contraband within the facilities or in the workplace.

It must also be recognized that all employees shall be treated fairly and in a dignified manner on those occasions when a search is required. Screening staff must be respectful of a person's belongings. Belongings and contents should not be handled carelessly, or in a manner that attracts unnecessary attention. Screening staff shall not make unnecessary or inappropriate comments regarding a person's belongings that might cause embarrassment. Additionally, no inmates will be allowed to remain in the area, or allowed to view screening procedures, when electronic searches of staff are being conducted.

- A. Metal Detector Searches: All employees will be subject to metal detector searches upon entering a correctional facility in accordance with Directive #4900 (walk-through, Cellsense, and/or hand held). On a daily basis, the Superintendent or designee (rank of Captain or above) will determine in what manner this will occur, ranging from a random predetermined number of employees entering the facility that will change each shift and day, up to and including all staff entering that facility. The determination will be documented in the Watch Commander's Logbook. It is the responsibility of the staff person being searched to clear the metal detector. Metal detector searches must be supervised by a Sergeant or higher.
1. It is expected that the vast majority of staff persons will clear the metal detection screening with minimal delay. However, if the metal detector alerts and the alerting area is isolated and cannot be resolved, a hand held metal detector will be utilized. In the case of a staff person who may be wearing an underwire bra, the use of a hand held metal detector should resolve the alert to the satisfaction of the supervisor without the need for additional steps. However, if this particular alert or any other alert cannot be resolved to satisfaction of the supervisor, he or she will immediately notify the Watch Commander who in turn will notify the Superintendent, Deputy Superintendent for Security (DSS) or Officer of the Day (OD) to determine the next appropriate step or if additional processing procedures are necessary.

Staff persons who have medical conditions that do not allow them to clear or pass through a walk through metal detector device will be issued a pass by the Superintendent, upon receipt of administratively acceptable medical documentation indicating their medical condition and the extent of the restriction(s) regarding their ability to clear electronic screening. The purpose of the medical alert pass is not to relieve the entering person of the responsibility to clear the staff entrance and search procedure, but to provide an opportunity for the person and the administration to tailor the procedure to that person's unique medical situation. Screening staff conducting searches of entering staff persons with medical passes must still be reasonably assured that no prohibited objects are entering the facility.

Note: Board of Parole member, Central Office staff and other Department employees entering any correctional facility for official business will be processed as facility employees, they will be subject to metal detector and periodic pat frisk searches under the same manner as prescribed in Section II-A & B.

Packages, containers, and other articles carried into the facility shall also be searched/frisked upon entrance and exit of the facility and may be subject to x-ray.

Note: Packages, containers, and other articles containing documents and equipment carried by members of the Board of Parole and their Court Reporters, Central Office staff, the Office of Special Investigations, the Bureau of Labor Relations in connection with an official investigation or labor relations cases, and the facility Executive team may be visually inspected, however, frisking staff are prohibited from reading or reviewing the content of such documents and shall not view the contents of the file folders without the approval of the Commissioner.

- B. Pat Frisk Searches: The Superintendent will order periodic pat frisk searches of any employee to be conducted in a designated area. Pat frisk searches shall be supervised by a uniformed supervisor of the rank of Sergeant or above or a non-uniformed employee of a higher pay grade than the employee being searched. The Officer conducting the pat frisk search must be of the same sex as the employee being searched. In addition, the Watch Commander may approve a pat frisk of an employee based on suspicion or inability to clear the metal detector.

Religious headwear is not considered part of a person's belongings, but rather their person. Random pat frisks should not ordinarily include removal and inspection of religious headwear. Except in emergencies, the Watch Commander or above is required to authorize the search of religious headwear.

C. Strip Searches

1. Definition: For purposes of this directive, a strip search is defined as an inspection of the naked body of the person, and an examination of the person's clothes and personal effects.
2. A strip search of a facility employee may only be conducted on the order of the Superintendent, Acting Superintendent, or the Officer of the Day when the Superintendent or Acting Superintendent is absent from the facility and cannot be contacted.
3. Prior to ordering such a strip search, the Superintendent, Acting Superintendent, or Officer of the Day must make a determination of reasonable suspicion, based upon a review of the specific facts in each situation and rational inferences drawn from the facts.

The following illustrations will provide guidance in determining whether there is "reasonable suspicion" in order to approve an employee strip search.

- Illustration #1: Superintendent Doe receives information from two Correction Officers that employee Roe is bringing marijuana into the correctional facility on a certain day. One of the Officers has given the Superintendent reliable information in the past. There is reasonable suspicion in order to approve a strip search of employee Roe.
- Illustration #2: Inmate Jones informs Superintendent Doe that employee Roe is helping inmate Smith to escape from the facility. Another employee confirms this with additional information that Roe is bringing in drugs and a hacksaw on a certain date. There is reasonable suspicion and the Superintendent may approve the employee's strip search.
- Illustration #3: Superintendent Doe receives general rumors from uniformed supervisors and another reliable source that employee Roe was bringing contraband into the facility. Further, the Superintendent received the same general information from an inmate who has provided reliable information in the past at another facility. Finally, contraband had been discovered at the facility. These facts justify the Department's decision to approve a strip search of employee Roe.

- Illustration #4: Inmate Jones gives information to the Department that employee X was bringing drugs into the facility. There is no evidence that this inmate had a history of providing reliable information in the past. Further there is no corroborating evidence. These circumstances do not satisfy the reasonable suspicion standard to justify a strip search.
4. Strip searches must be supervised by a uniformed supervisor having at least the rank of Lieutenant, or at a minimum security facility where it may be a Sergeant if he or she is the ranking supervisor present.
 5. No more than one searching employee may be present in addition to the supervising employee. Additional staff presence must be approved by the Superintendent, Acting Superintendent, or OD as provided in II-C-2 above.
 6. Employees who are to be searched will be treated in a professional manner. Such strip searches shall be conducted in areas which are clean and heated, have appropriate floor covering on which to stand, and have a space for the employee's clothing to be placed off of the floor.
 7. The employee to be searched shall be escorted to the appropriate private area and kept under direct visual observation until commencement of the search.
 8. The supervising and searching employees must be of the same sex as the employee being searched. If a ranking female security supervisor is not available, the Superintendent shall designate a female employee (holding a higher grade than the employee being searched) to be present during the search.
 9. An employee may refuse to submit to a strip search, but such refusal shall be cause to deny the employee's entrance to the facility and shall be grounds for disciplinary action.
 10. The employee being searched may request the presence of a witness or union representative. If the employee being searched is a non-uniformed employee, every effort should be made to have the employee's supervisor present during the search if the employee so requests.
 11. Subsequent to the search, the employee will be provided with a statement that will include: date of search, time of day, location, identification of searching employees, supervising employee, representative or witness present, and the results of the search. This report shall be delivered to the employee and, upon the employee's request, the union representative no later than the end of the work day following the day the request was made.
 12. A copy of such statement shall be forwarded to the Deputy Commissioner for Correctional Facilities.

When on Department property not associated with a correctional facility (e.g., Central Office, satellite offices, regional parole offices, and other Department properties), pat or strip searches may be conducted only on the order of the assigned Deputy Commissioner having oversight of that area.
 13. The search area on other Department properties will be designated by the assigned Deputy Commissioner, and in correctional facilities, will be designated by the Superintendent or Acting Superintendent.

D. Prohibited Strip Searches and Frisks

1. Random strip searches are not allowed.
 - a. Definition: For purposes of this directive, a random strip search is a strip search conducted for security or investigatory reasons when there has not been a Superintendent's determination of reasonable suspicion regarding a specific individual.
 - b. Random strip searches are not to be ordered. There must be a finding of reasonable suspicion that an individual employee was attempting to introduce contraband into the correctional facility prior to ordering the strip search of an employee.
2. Strip frisks are not allowed without a search warrant.
 - a. Definition: For purposes of this directive, a strip frisk is defined as a search including a visual examination of the anal and genital areas of the person searched.
 - b. No employee shall be strip frisked, unless the Superintendent has first secured a search warrant for that person to be strip frisked.

III. ITEMS FACILITY STAFF ARE ALLOWED TO CARRY IN TO A CORRECTIONAL FACILITY

- A. All staff will be required to use a clear bag (approximate dimensions 11" wide by 7" deep by 10" tall, with a zipper pouch in front) as distributed by the Department. The bag will not be altered in any manner, including but not limited to, any items affixed/placed, inscribed, sewn on, etc to the clear bag.

- I. **PURPOSE:** It is the Department of Corrections and Community Supervision (DOCCS)'s policy to promote research in the field of corrections and community supervision and to support professional studies of Departmental operations. Research involving offenders, staff, and Departmental operations will be authorized and conducted in accordance with the guidelines and procedures contained in this directive.
- II. **POLICY**
- A. Medical or Cosmetic Experimentation and Pharmaceutical Testing: Medical or cosmetic experimentation and pharmaceutical testing may not be conducted on inmates. Inmates may not be used as subjects for any non-therapeutic medical experimentation, including the use of unestablished drugs and unapproved medical techniques. This applies to any inmate in the custody of the Department regardless of the location of that inmate (e.g., in a State facility, jail, State institution or other facility). It is not intended that this policy in any way limit the use of accepted diagnostic and therapeutic measures, nor the collection of data relative to the use of such measures, when performed for bona fide medical indications under acceptable medical supervision. This does not preclude the use of U.S. Department of Health and Human Services' approved clinical trials, diagnostic and therapeutic measures that may be warranted for the diagnosis or treatment of a specific inmate when recommended by the responsible physician and approved by the facility Medical Director. Such measures must have the prior full informed written consent of the affected inmate and must be conducted under conditions approved by the U.S. Department of Health and Human Services and the DOCCS Deputy Commissioner and Chief Medical Officer.
- B. Undergraduate and Graduate Students: Requests from undergraduate college students to conduct research studies will not be approved. Research proposals from graduate students will be reviewed three times a year during the months of February, May, and October. Graduate students may submit proposals in other months with the understanding that the processing of proposals will only occur in the designated months.
- C. Guidelines for Approval: Approval of requests to conduct research studies will be based on the following guidelines:
1. The research is requested and will be conducted by professional researchers, college faculty, or graduate students engaged in their masters or doctorate studies.
 2. An acceptable research design for the proposed study is submitted.
 3. The proposed study promises to have some value for the Department.

4. The study will not disrupt Department routine or interfere with personnel carrying out their duties.
 5. Interviews of offenders or staff will be done on a strictly voluntary basis.
 6. Subjects used in the study will not be identified by name or in any way which would reveal their identity.
 7. The researcher agrees to submit a draft of the study to the Department for review prior to completion and publication. This review will be concerned only with factual errors or misinterpretations of Departmental policies and procedures, and not with the findings or conclusions reached by the author.
- D. Departmental Dissemination: The Department reserves the right to disseminate any findings, within the Department or to other State agencies, if deemed necessary or helpful.

III. PROCEDURE

A. Application for Permission to Conduct Research

1. The application shall be submitted to the Director of Research of the Department of Corrections and Community Supervision, 1220 Washington Avenue, Albany, N.Y. 12226-2050.
2. The application shall include the following information:
 - a. Title of study;
 - b. Names, addresses, and telephone numbers of principal researcher and all research staff; and
 - c. An endorsement by a recognized research organization such as a university, college, private foundation, consulting firm, or public agency with a mandate to perform research certifying that the research proposal is for valid scientific, educational, or other public purpose;

If the applicant is associated with an institution or an accredited university that has an Institutional Review Board (IRB), the applicant must submit documentation showing that the IRB has approved the project.
 - d. A summary of the goals of the study and the justification for the research; and
 - e. A detailed research design including the following elements:
 - (1) The Departmental resources and personnel that may be needed for the study;
 - (2) The criteria and procedures for selection of subjects or records for the research;
 - (3) The procedures for data collection and copies of research instruments to be used including interview schedules, questionnaires, data collection forms, and tests; and
 - (4) The security procedures to protect the privacy of participants and confidentiality of Department records.

3. If the study requires the direct involvement of offenders or Department staff, such as by participating in interviews or completing questionnaires, the researcher must consent to and provide information necessary for processing a criminal history inquiry and disclose any prior misdemeanor and felony convictions. If a criminal history inquiry is required, associated costs will be borne by the researcher. If on probation or parole, the researcher must provide a letter from his or her supervising officer giving permission to conduct the research. The Director may ask the appropriate executive staff to review the proposal and to submit a recommendation for approval or disapproval.
4. The Director shall ensure that all researchers are informed of Department policy concerning research. The "Research Agreement," Form #0403A, shall be signed by the researcher. The Director shall indicate approval of the research project by signing Form #0403A and returning a copy to the researcher.

B. Conduct of Research

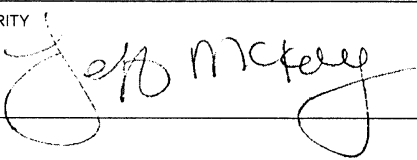

1. The researcher shall explain the goals and methods of the study to all potential subjects; a written summary shall be provided to each potential subject. All offenders shall be informed that their participation in the research is purely voluntary and will not affect the terms or length of their confinement or community supervision.
2. The researcher shall obtain signed consent, Form #0403B, "Research/Survey Consent Form," from all individuals who are scheduled to participate in the research.

NOTE: The researcher must be cognizant of the need to provide foreign language assistance to those non-English speaking individuals who are to be included in the research project.

3. Any data collected during the course of the research shall be used only in the manner described to the subject prior to his or her entry into the study.
4. No employee of the Department or inmate shall receive compensation, remuneration, or payment of any kind for participation in the research study. A minimal stipend for releasees participating in a study may be approved.

C. Violations of Research Regulations

1. Permission to conduct the current study and any further research may be discontinued for any violations of these policies and regulations regarding outside research, or of any other applicable Department policies and regulations in the course of conducting the research.
2. Violations of the regulations (See Form #0403B) with regard to criminal offender record information may subject the violator to civil or criminal liability.

III. GENERAL POLICIES

- A. Visiting Times: Unless a different schedule is approved by the Commissioner, at maximum security facilities, visiting is allowed every day of the year and at hours intended to encourage maximum visitation.

At medium and minimum facilities, visiting is allowed on weekends and holidays only. At Work Release facilities, only inmates held in restriction status shall be allowed visitors.

At Upstate and Southport Correctional Facilities, visiting is allowed on weekends and holidays only and visits for inmates confined to a Special Housing Unit (SHU) are limited to one non-legal visit per week.

Visiting in special program units will be permitted on a schedule approved by the Commissioner or designee.

Except in cases of emergency, and except for instances of denial, termination, a term of suspension or indefinite suspension of either a visitor's or inmate's visiting privileges under the provisions of 7 NYCRR Part 201 and 7 NYCRR Chapter V, Subchapter A (as described in Section VIII of this directive), the number, length, and frequency of visits by each visitor will be limited only as necessary to accommodate all visitors who arrive during scheduled visiting times.

- B. Visiting Spaces: The designated area or areas for visiting shall be specified and arranged to provide as much space as practical, while maintaining appropriate security, along with adequate heat, light, and ventilation, convenient seating arrangements for both visitors and inmates, lavatory facilities, and any other appropriate accommodations.

In facilities which have more than one visiting area, visiting room assignments may be made based upon the inmate's program assignment, institutional adjustment, or security risk level. However, in such instances, no inmate shall be deprived of visiting privileges available to inmates in the general population except as provided in 7 NYCRR Section 201 and 7 NYCRR Chapter V, Subchapter A (as described in Section VIII of this directive).

The Superintendent will designate an area for confidential meetings which will insure the privacy of conversations during professional visits of attorneys or their duly authorized representatives or visiting clergy (see Directive #4202, "Religious Programs and Practices," and Directive #4404, "Inmate Legal Visits").

- C. Local Control: Superintendents may modify Departmental visiting rules to adjust to local conditions only with the prior approval of the Commissioner.

However, a Superintendent may deny, limit, suspend for a term, or indefinitely suspend visitation privileges of any inmate or visitor if the Superintendent has reasonable cause to believe that such action is necessary to maintain the safety, security, and good order of the facility. See Section VIII below.

- D. Inmate Consent: No inmate is to be visited against his or her will by any person including attorneys or their duly authorized representatives, or representatives of the news media.

- E. Security: All visitors, inmates, and visiting areas will be searched prior to visiting and carefully observed to guard against importation of contraband, to deter misbehavior, and to prevent escapes. All inmates and visiting areas will be searched after visiting.

- F. Visitor Record: A record of prospective visitors for each inmate, and a record of each visit will be maintained. Unrecorded persons will not be admitted to a facility except as provided for in sub-section G below.
1. Names provided by an inmate at reception will form the basis for that inmate's Visitor Record. This record will be maintained and updated by each facility having custody of the inmate.
 2. The facility Visitor Record will be updated as visitors register and are processed to visit inmates. This record will be updated by security staff in the area where visitors are processed.
 3. A visitor's name shall be removed from an inmate's Visitor Record upon written request of that inmate or the visitor.
- G. First-time Visitors: The Watch Commander will allow initial visits for persons not on an inmate's approved visitor record subject to the following conditions:
1. First-time visitors will be allowed to visit if proper identification is presented and if the inmate to be visited agrees to the visit.
 2. First-time visitors will be required to sign a statement indicating that they have been advised of and agree to abide by the rules and regulations regarding visiting. This signed statement will be attached to the inmate's Visitor Record, and a copy will be sent to the inmate. If the visitor has limited English proficiency (LEP), the statement will be provided in the visitor's dominant language.

IV. RESTRICTIONS

A. Visitors Under 18 Years of Age

1. All minors must be escorted by an adult approved to visit or an adult in an official capacity with proper identification and the approval of the Superintendent or designee except as otherwise provided in subparagraphs 2, 3, and 4 of this part. The adult escort will be responsible for the behavior and conduct of the minor while on facility property as well as for identification of the minor.
2. Unmarried minors under 18 years of age, who are not accompanied by their parent or guardian, must have written permission from the parent or guardian to visit an inmate. Written permission may be mailed to the facility in advance or presented by the accompanying adult at the time of the visit. The written permission must be signed before a witness and contain a telephone number of both the parent or guardian and the witness to permit staff to verify the permission at the time of the visit.

Married persons under 18 years of age who are related to an inmate do not need the permission of a parent, guardian, or an adult escort in order to visit an inmate; however, proof of age and marriage will be required.
3. Children of inmates will be allowed to visit without written permission. No visit will be permitted if a court order prohibiting such visiting is on file with the facility. Children of inmates who are 16 years of age and older will be admitted without adult escort.
4. Special arrangements approved by the Superintendent of the facility may be made for groups of children to be brought to the facility by an adult approved to visit (e.g., for the Children's Center Program at Bedford Hills).

B. Visitors with Criminal Histories

1. Pending or past criminal proceedings, a person's status as a former employee, contractor, volunteer, or ex-inmate shall not solely disqualify that person from visiting an inmate in a correctional facility except as provided herein. These types of visits all require approval by the Superintendent of the facility to be visited. The Superintendent of a facility may deny visiting privileges to such persons by indicating in writing to that person, specific reasons, if he or she determines that the proposed visitor's presence poses a threat to the security and good order of the facility. Criteria to be considered shall include but shall not be limited to: the time frame between discharge/releases or post release supervision and the proposed visit; the purpose of the proposed visit; the former institutional adjustment of an ex-inmate; the nature of the pending criminal proceeding against the proposed visitor or inmate; circumstances of separation from service of any prior employee, contractor, or volunteer; and any other articulable factors the Superintendent may identify, particularized to the proposed visitor, the inmate and/or former employee, contractor, or volunteer that establishes or tends to establish that such proposed visitor may pose a threat.

NOTE: If a proposed visitor, who is a former inmate, wishes to visit a facility where he/she was never incarcerated and is beyond five years of any criminal proceedings, discharge/release and/or post release supervision, the prior approval for visitation is not required.

2. Pending criminal charges related to conduct at a correctional facility or involving an inmate shall disqualify a person from visiting any Department facility until charges are resolved (e.g., promoting contraband).
3. Persons under probation or parole supervision will be allowed to visit an inmate only with the prior permission of the Superintendent and written permission of the person's Probation or Parole Officer.
4. An inmate released from any facility through the Department's Temporary Release Program will be allowed to visit another correctional facility only with the prior permission of both the Superintendent of the facility from which the inmate is temporarily released and the Superintendent of the facility which the inmate wishes to visit.

- C. Visits to Hospitalized Inmates: If an inmate is in a facility infirmary, Regional Medical Unit, or outside hospital, the inmate may be visited for limited periods of time by persons on his or her Visitor Record, an attorney or his or her duly authorized representative, or visiting clergy. Such visits shall be subject to the approval of the Superintendent, the facility's Health Services Director or the inmate's doctor, and the visiting rules of the hospital.

- D. Cross-Visiting Requests: Cross visiting is the participation of two inmates in a visit with one or more visitors. Cross visiting is permitted with the approval of the Superintendent and, in the case of immediate family members, is to be encouraged.

1. Inmates wishing to cross visit must submit requests to their respective Offender Rehabilitation Coordinator at least one month prior to the proposed visit.
2. Only persons who are on both inmates' visiting records may participate in cross visits.
3. Cross visiting may be limited when necessary in order to accommodate all visitors.

4. Small children may play with each other with the permission of their families provided that they are not disruptive.
 5. When a cross visit is taking place the two inmates may participate in a common photograph.
- E. Orders of Protection: An Order of Protection is issued by the court to limit the behavior of someone who harms or threatens to harm another person. A variety of courts can and do issue Orders of Protection. There are two types of Orders of Protection. One is generally referred to as a “stay away” Order of Protection. When preparing such an order, the judge will usually check one or more boxes that instruct an individual (defendant or respondent) to stay away from the protected person and/or his or her home, school, business, or place of employment. The other type of Order of Protection is referred to as a “refrain from” Order of Protection. In such an order the judge will usually check off boxes that instruct an individual (defendant or respondent) to refrain from engaging in certain behaviors when interacting with the protected person. Often the order will instruct the individual to, among other things, refrain from assaulting or otherwise harming the protected person.

Note: A protected person, whether inmate or visitor, cannot waive the protection afforded by an Order of Protection. As further noted in Section IV-E-3 below, only a court with proper jurisdiction can modify or terminate an Order of Protection.

1. When a correctional facility receives a current “stay away” Order of Protection, visitation between the individual inmate and the protected person should not be permitted as the inmate must stay away from the protected person.
2. When a correctional facility is presented with a “refrain from” Order of Protection, the presumption is that regular visitation will be allowed, unless there is a reason to limit or deny such visitation under another provision of this Directive.

Note: It is possible that a judge that issued a refrain from Order of Protection may have done so under the mistaken belief that there is normally a physical barrier between an inmate and his or her visitor or that there is an abundance of security coverage in our visiting rooms. Consequently, when a correctional facility receives a current refrain from Order of Protection, the facility may consider contacting the issuing judge to ensure that he or she understands the physical layout and security coverage in the facility’s Visiting Room. The judge may confirm that contact visitation can occur or issue a letter or subsequent order clarifying that visitation should either not occur at all or should only occur when non-contact visiting space is available at the facility.

3. An Order of Protection will include an expiration date and can also be modified or terminated by a subsequent order of the same court. In addition, the standard form Order of Protection issued in a criminal proceeding involving a Family Offense (C.P.L. § 530[1]), provides that the Order of Protection is subject to modification by “subsequent order issued by a family or supreme court, in a custody, visitation, child abuse or neglect proceeding.” In the absence of such language, however, where multiple Orders of Protection with conflicting provisions are currently in effect, the Office of Counsel should be contacted for clarification and, in the interim, the more restrictive provisions should be enforced.

V. ENTRANCE RULES AND PROCEDURES: Inmates and their authorized visitors will be expected to abide by the visiting rules and regulations, posted facility rules, and to follow the instructions and guidelines given by facility staff. Violation of visiting rules and regulations, posted facility rules, or instructions by staff to either inmate or visitor may result in the denial or termination of a visit and the suspension or indefinite suspension of future visits. (See "Termination, Suspension, and Indefinite Suspension" in Section VIII below.)

All visitors shall be provided with written notification of the visiting rules; however, it will be considered sufficient notice if such rules are conspicuously posted. If the visitor has LEP, the visiting rules will be provided in the visitor's dominant language.

- A. Identification: Visitors to a correctional facility will be required to furnish valid unexpired identification. Failure to produce adequate identification shall result in the denial of a visit. Prior to visiting, visitors shall sign appropriate visiting forms as required by the facility. These records will be maintained by the facility.

Adequate identification shall consist of any of the following:

1. Picture I.D. (e.g., driver's license, non-driver's identification, other government issued picture identification, Armed Services I.D., or employment identification with the visitor's picture on it).
2. Signature Card (e.g., social security card, employment I.D., drug program card, or any other official document with the visitor's signature on it).
3. Birth or baptismal certificates shall not be considered adequate identification for an adult visitor; however, they may be used as identification for a minor child. In the case of a minor with no other creditable identification documentation, an adult approved to visit may vouch for the identification of a minor.
4. To participate in Family Reunion Program visits, a spouse must possess documentation of a valid marriage license or a declaratory judgment stating the validity of an out-of-state common-law marriage or same-sex marriage. (See Directive #4500, "Family Reunion Program.")

Except at minimum security facilities, each visitor (over 5 years of age) shall be hand stamped upon entry to a facility to aid in the identification of visitors leaving the facility.

- B. Sobriety: Visitors appearing to be intoxicated or under the influence of drugs will not be admitted to a correctional facility
- C. Attire: Visitors appearing in inappropriate attire will not be admitted to a correctional facility. The following are unacceptable: see-through clothing, bare midriffs or backs, plunging necklines, short-shorts or athletic shorts, mini-skirts, bare feet, and bathing suits. Shorts or skirts shorter than mid-thigh-length are unacceptable. If in doubt, the visitor should not wear a questionable item of clothing. Visitors are cautioned that clothing containing metal (e.g., decorative buckles, buttons, or studs) or wire, including, but not limited to underwire bras, may cause the metal detector to alert and require further processing pursuant to Section VI of this directive.

- D. Contraband: All visitors shall be searched and required to surrender contraband and any other article or thing considered potentially dangerous to the safety and security of the facility. (See "Searches" in Section VI below). Contraband is defined as:
1. Any article or thing the possession of which would constitute an offense under any law applicable to the public;
 2. Any article or thing which is readily capable of being used to cause death or serious physical injury, including but not limited to a hand gun, shoulder gun, cartridge, knife, explosive, or dangerous drug (including marijuana);
 3. Any article or thing that is introduced into a correctional facility under circumstances evincing an intent to transfer same to an inmate without the permission of the Superintendent or designee;
 4. Any article or thing that is not specifically authorized to be possessed by an inmate in a State correctional facility pursuant to the rules of the Department or the local rules of the facility. Alcohol, money, cellular phones, wireless phones, pagers, laptop computers, personal digital assistants, any device with global positioning (G.P.S.) capabilities, any device with audio recording capabilities, radios, cameras, or other similar electronic devices are among the items inmates are not permitted to possess. Other items including pocketknives, alcohol, and other items posted at the facility entrance or as directed by staff is also prohibited.

As a prerequisite to entry to a correctional facility, the Superintendent or designee shall have the authority to require any visitor to surrender any article or thing to the Gate Officer if the Superintendent or designee reasonable believes it to be potentially dangerous to the safety and security of the facility or constitutes contraband as defined above.

- E. Packages: Prior to a visit, a visitor may leave a package only for the inmate they are visiting. Only authorized items will be allowed and the package contents will be searched prior to delivery to the inmate. (Reference Directive #4911, "Packages & Articles Sent or Brought to Facilities.") An attempt to introduce contraband through a package may result in the denial or termination of a visit and a term of suspension or indefinite suspension of future visits.
- F. Medication: Visitors having medication in their possession shall declare it and relinquish it to the Gate Officer.
1. Medication shall be identified and stored in a secure area.
 2. If a visitor needs the medication during the visiting period, it may be obtained as directed by the facility.
- G. Money: Visitors may leave funds for deposit only to the account of the inmate they are visiting. Funds may be received in cash, check, or money order, but shall be limited to \$50 per inmate per day regardless of the number of visitors transmitting funds. The Deputy Superintendent for Administration (DSA) shall employ appropriate fiscal policies and procedures to insure accountability of monies received.
- H. Small Children: A visitor arriving with a small child will be allowed to take a diaper bag, three (3) diapers and plastic baby bottles into the visiting room, provided all articles are thoroughly searched beforehand. If possible, a suitable area within the perimeter of the visiting room should be provided for the changing of diapers.

VI. SEARCHES

A. Search Procedures

1. Each visitor entering the facility shall pass through a metal detector and/or be scanned with a hand scanner. Any visitor who refuses to comply with search procedures will not be permitted entry into the correctional facility.
2. If there is any difficulty clearing a visitor by use of the walk-through metal detector, a hand scanner shall be used to locate the problem area.
3. When the hand scanner indicates the presence of metal, which is concealed under clothing, the visitor shall reveal (if appropriate) the object in question thereby establishing that the item revealed caused the alarm or, if necessary, the visitor shall remove the item for inspection.
4. If, prior to an approved legal visit, an attorney or duly approved legal representative is unable to clear the metal detection process, staff shall contact the Superintendent or designee for further direction.
5. If the visitor is unable to reveal or remove the detected object due to its personal nature, the visitor shall be provided with a document explaining they have the right to leave the facility or they can consent to search options listed below.
6. A limited visual search may be conducted in a private area where an Officer or staff member of the same sex will visually inspect the area in question by having the visitor lift any articles of clothing or under garments to satisfy staff that no contraband is secreted on the visitor's person in the area in question.

Note: When the limited visual search procedure is utilized, staff must obtain a signed Form #2061, "Notice of Consent to Search," form from the visitor and an Unusual Incident Report must be filed in accordance with Departmental Directive #4004, "Unusual Incident Report."

7. A personal item search: If a staff member of the same sex as the visitor is not available, a personal item search may be conducted as an alternative to a limited visual search. The visitor shall be provided a private area or other room that provides personal privacy to remove items of a personal nature including braces, underwire bras, etc.; a paper bag in which to place any personal items they have removed; and an opportunity to use a large mess hall style white shirt as an outer covering during reprocessing procedures. (The facility shall have at least two x large and two xx large mess hall style shirts available. The facility must specifically advise any female visitor who may be required to remove an underwire bra of the availability of these shirts to wear over their clothes during reprocessing procedures.)
8. A visitor shall not be routinely required to remove religious headwear during search procedures. However, if staff determines following the use of the hand scanner that removal of the headwear or any other item of religious apparel is necessary, the item shall be removed in a private area in the presence of a security staff member of the same sex, if one is on duty.

9. If no security staff member of the same sex is on duty, a non-uniformed staff member of the same sex shall be used. The staff member of the same sex shall conduct a hand scanner search and visual inspection of both the visitor and the removed item in a private area. If there is no staff member of the same sex on duty, and the visitor still refuses or cannot remove the item due to its personal nature in the visitor processing area, the visit will be denied.
10. Once the detected item is removed and placed in the paper bag, staff shall reprocess the visitor via a hand scanner or walk-through metal detector and both the bag and its contents shall be discreetly inspected for contraband.
11. All visitors must be dressed in appropriate attire, as outlined in Section V-C above, when not within the private area. Once the visitor has cleared the detector, the personal items shall be returned and a private area made available for redressing. The outer covering shirt shall be returned to a security staff member.
12. Whenever possible, the private area used to disrobe shall not be the same area that is used for redressing. Any private area shall be out of sight of the inmate population. If separate areas are not available, staff must search the area before the visitor enters to redress. Contact between processed and unprocessed visitors shall be prevented.
13. If the hand scanner fails to locate the source of the problem or the employee feels that there is probable cause for further processing, he or she shall follow the strip search procedures as set forth in Section B below, even if the visitor offers to voluntarily remove items of clothing other than coat, hat, or shoes.
14. Handbags, briefcases, and other containers shall be searched.
15. Items not permitted in the facility shall be properly identified and stored or placed in available lockers until the visitor leaves the facility. If no locker is available, the visitor shall remove the item from the facility and secure it in appropriate location (e.g., the visitor's vehicle).
16. Upon surrender of contraband, the visitor shall be given a receipt for the article. When such person leaves the facility, the item will be returned upon surrender of the receipt. If, however, there is reasonable ground to believe that the possession of such article would constitute an offense under any law, the contraband shall not be returned to the visitor. Instead, the employee shall detain the visitor in the facility and notify the appropriate law enforcement agency.
17. When undeclared contraband is found, the visitor's intent shall be controlling. At times, innocent oversights will occur (e.g., medication). Officers should use their discretion in judging whether the visitor intentionally attempted to introduce contraband into the facility. Criteria to be considered include past history, the visitor's demeanor, whether it appears that the contraband was for the visitor's personal use and was inadvertently left in a pocket or handbag, and whether an effort was made to conceal the contraband where it would not readily be found.

B. Strip Searches

1. If a visitor to a correctional facility has complied with the aforementioned processes and the Officer in charge believes further processing is required to prevent the introduction of contraband into the facility, the visitor shall be asked to remain in the gate area. The Officer in charge shall contact his or her immediate superior.

2. If, after evaluating the situation, the supervisor determines that further processing is warranted, the Superintendent or the designee in charge of the facility shall be notified and shall make the determination as to whether a strip search of the visitor is warranted.
3. In order to justify a strip search of a particular visitor, the Superintendent or designee, must point to specific objective facts and rational inferences that he or she is entitled to draw from those facts in light of his or her experience. In other words, the Superintendent must have reasonable cause to believe that contraband is concealed upon the person of the visitor, based on specific and articulable facts and inferences reasonably drawn from those facts. Generalized suspicion of smuggling activity is insufficient.
4. Strip searches may not be ordered based on uncorroborated information or 'tips' merely stating that visitors would attempt to introduce contraband into a facility where the informant's reliability cannot be assessed and observations of visitors upon arrival at the facility do not contribute to reasonable suspicion that contraband is being concealed. Reasonable suspicion exists only if the uncorroborated information can be linked to other objective facts.
5. The visitor must be informed that he or she has the option to submit to the requested search procedure or refuse. If a visitor refuses to submit to a strip search the visit may be denied by the Superintendent or designee. In the alternative, a non-contact visit may be allowed in the discretion of the Superintendent if sufficient staff and a non-contact visiting area is available.
 - a. Guilt is not to be assumed from a visitor's refusal to submit to a strip search.
 - b. Future visits may not be denied solely on the basis of refusing to submit to a strip search.
 - c. A visitor's past refusal to submit to a strip search may not be used as a basis or factor in establishing reasonable suspicion for future strip searches.
6. If a visitor submits to a strip search, the supervisor must obtain his or her written consent on Form #2061, "Notice of Consent to Search." In the case of a minor child, the consent must be given by an accompanying parent or guardian. For purposes of this Section the term "minor child" shall mean any person who is under the age of 18, but the term shall not include any person who is emancipated (i.e., 16 years of age or older who is married (with proof of age and marriage) and who is related to the inmate to be visited).

A subsidiary report of the circumstances surrounding the incident should accompany the Unusual Incident Report. Particular care should be given to setting forth in detail the factor or factors which led to a determination that the visitor required processing under this subdivision.

C. Substance Detection/Ion Scan Testing

- 1. Visitors entering any Department facility, by whatever gate, may be subject to ion scanning or other non-intrusive test for detection of illicit substances.
- 2. If a visitor tests positive, a second test will be conducted to confirm or negate the first test result. Upon a confirmed positive test result, or test refusal, the visitor will be denied entrance into any correctional facility for two days.
- 3. If that visitor is a minor child, that child's parent, guardian or approved escort will also be denied entrance into the correctional facility.
- 4. A confirmed positive test result on a specific visitor will not serve as a basis to deny entrance to any other visitor. A confirmed positive test means that a second sample from the same area on the person or the person's belongings tests positive for the same substance.
- 5. No disciplinary action shall be taken against an inmate solely because an individual attempting to visit the inmate tests positive or refuses to test.

VII. VISITING ROOM PROTOCOL AND RULES: Inmates and their authorized visitors will be expected to abide by the facility's rules and regulations and to follow the instructions and guidelines given by facility staff.

- D. Acceptable Physical Contact: Acceptable physical contact during contact visits is described as follows:
1. In general, kissing, embracing, and touching are allowed as long as they would be acceptable in a public place and do not offend other inmates and visitors or aid in the introduction of contraband or escape attempts.
 2. At a minimum, a visitor and inmate may embrace and kiss at the beginning and at the end of any contact visit. Brief kisses and embraces are permitted during the course of the contact visit. However, prolonged kissing and what is commonly considered "necking" or "petting" is not permitted.
 3. A visitor and an inmate may hold hands, as long as the hands are in plain view of others.
 4. Inmates and visitors sitting next to one another may also rest their hands upon each others' shoulders or around each others' waists. Resting one's head on another's shoulder is also permitted when the inmate and visitor are sitting next to one another.

 2. If visitors wish to leave any materials with the inmate that they have brought into the visiting area, or if they wish to remove materials brought into the visiting area by the inmate, the exchange must take place through the package room. (See Directive #4404, for exchange of legal materials.)
 3. Prior to a visit, a visitor may leave a package for an inmate, containing authorized items only, which will be inspected prior to delivery to the inmate. An attempt to introduce contraband through a package may result in the denial or termination of a visit and a term of suspension or indefinite suspension of future visits.
- G. Legal Visits: An inmate law clerk or an inmate approved to provide legal assistance pursuant to Directive #4483, "Law Libraries, Inmate Legal Assistance and Notary Public Services," shall be permitted to be present at conferences between an inmate and his attorney. (Refer to Directive #4404.)
- H. Lavatories: Inmates and visitors will not be allowed to use the same lavatories.

Facility staff supervising visiting areas should give inmates and visitors instructions on proper behavior and admonitions if they observe improper behavior prior to giving out an "official" warning.

- b. Before termination of a visit, a verbal warning must be issued by the visiting room Officer to the visitor and the inmate that the objectionable behavior is prohibited and that failure to cease such behavior will result in termination of the visit. Such warning will be noted on the visitor's record.

2. Termination for Misconduct

- a. A visit will be terminated immediately without warning if any of the following misconduct takes place:
