

RFA # 18267
Grants Gateway # DOH01-ROWLY6-2021

PETER T. ROWLEY BREAST CANCER SCIENTIFIC RESEARCH PROJECTS (Round 6)

QUESTIONS and ANSWERS

August 14, 2019 – September 3, 2019
Including an applicant conference on August 28, 2019

Please note that the slides from the Applicant Conference are attached to the end of this Question and Answer document for reference.

Letter of Intent (RFA Section IV.C. and Attachment 1)

1. When is the Letter of Intent due?
 - A. The Letter of Intent form (Attachment 1) was due on 8/29/19. The Letter of Intent is not mandatory but is strongly encouraged; it will assist in developing the peer review panel. See Section IV.C. of the RFA for submission instructions. Letters of Intent will still be accepted after the deadline.
2. Do we need to include any information (e.g., summary of aims) in addition to the Letter of Intent form? Can we add a 1 or 2-page letter to the Letter of Intent?
 - A. Submit only the information requested on the form and only use the space provided within the form. Do not include a 1-2-page document/letter in addition to the form provided. We are not permitted to receive any scientific content prior to application submission. so, we rely on title, key words and names to help identify potential peer reviewers.
3. Who should we list on the Letter of Intent form?
 - A. Identify all participants involved in the proposed project, both internal and external to your organization. It is understood that these names may change; they are used as a preliminary screening for conflict of interest among potential peer reviewers. Sections may be added, if necessary, to list all participants.
4. To what extent does the Letter of Intent commit the title and research proposed in the application?
 - A. There is no commitment inferred by the submission of a Letter of Intent.

5. Can I resubmit an LOI that has already be submitted?
- A. Yes, upload revised Attachment 1 in the Pre-Submission Uploads Section of the Grants Gateway and email to hrsb@health.ny.gov.

Eligibility (RFA Section II.)

6. Can I submit two applications, one as PI and the other as Co-PI?
- A. Yes, if they are separate projects. You can be a PI on one application and a Co-PI on a different application(s). You cannot be a PI on more than one application.
7. Can previous awardees of a Peter T. Rowley Cancer Scientific Research Projects RFA apply for this RFA?
- A. Yes, previous awardees may apply for this RFA.
8. If I receive funding from the New York State Department of Health and another funding agency and there are overlapping aims, can I remove the overlapping aim from the New York State Department of Health contract?
- A. No, as we only fund independent free-standing projects. In the case of overlap, the applicant can modify the aims on the other grant or decline funding.
9. At my institution I am a senior staff scientist however I do not have my own laboratory. Am I eligible to apply?
- A. Dependent research staff are not eligible to apply to this RFA. Section II. of the RFA states, "The eligible Principal Investigator (PI) is designated by the application organization, has the skills, knowledge, and resources necessary to carry out the proposed Workplan, and is not a postdoctoral fellow or other dependent research staff."
10. What is the definition of "dependent research staff?"
- A. Dependent research staff are not granted independent status by their employer, regardless of their title. Dependent research staff do not have a responsibility to seek external funding, do not have designated laboratory space, equipment or other items committed to them by the institution, and do not have full access to shared/core facilities and other benefits provided to Principal Investigators. A dependent researcher's studies are generally mentored, guided, supervised and/or funded by another more experienced individual.
11. In Section II, under Who May Apply: "Eligibility to apply also includes the following mandatory items", it states "The application does not propose support for a research center" -- can you please clarify what that statement means? Does it mean that PIs whose institutions are research centers are not eligible to apply, or simply that funds will not be awarded for an applicant to open, start or otherwise fund the operation of a research center?

- A. You are correct, PI's that work at not-for-profit research centers are eligible to apply, however we will only fund the research described in the application. Funding is not intended to support the operations of a research center.
12. On page 4 of the RFA, under responsive applications, it states that testing new hypotheses based on research grounded in a non-breast cancer research area. Would this exclude a breast cancer treatment center? Or is the RFA stating that the grant is not to be used for other areas of research except for breast cancer research?
- A. The last bullet means that an applicant can apply existing non-breast cancer research to a breast cancer research hypothesis(es). This would not exclude the breast cancer treatment center provided the center is a not-for-profit organization or governmental organization in New York State (page 3 of the RFA).
13. Can the research be done in other states or only in New York State?
- A. Applicants wishing to receive funding from this RFA must be New York State institutions. However, those institutions are permitted to subcontract with collaborators world-wide. Please note that all research done outside of NYS must be performed in accordance with New York State laws, regulations and applicable contract provisions.

PIs, Co-PIs and Co-Investigators (RFA Attachment 2 re: Application Forms 1, 1-S and 2)

14. What's the difference between a co-investigator and a Co-PI?
- A. A Co-PI is designated by the PI as an individual who has equal responsibility and authority for ensuring the completion of the entire project. A co-investigator may be responsible for a specific component of the research project. The PI is the point of contact for all aspects of the application and contract. See RFA Attachment 2 for further delineations.
15. What if my Co-PI is from a different institution?
- A. That is fine. See RFA Attachment 2 for Forms 1 and 1-S for further details.
16. Are multiple PI's allowed?
- A. Multiple PIs are not recognized. One individual from the applicant institution must be designated as the PI. If one or more Co-PIs are also designated, those individuals may or may not be from the applicant institution. See RFA Attachment 2 for Forms 1 and 1-S.
17. I have more than one Co-PI from my institution. How do I list all Co-PI's on the application?
- A. Form 1 allows only one Co-PI to be listed. Use Form 2 and the work plan narrative to designate the others.

18. How can I communicate that I am an early stage investigator?
- A. There is check box on Form 1 where you can indicate that you are an early stage investigator. The definition of an early stage investigator can be found on page 5 of Attachment 2 “Checklist and Instructions.”
19. Is there a required percentage of effort for the PI and/or Co-PI?
- A. No. See RFA Attachment 2 instructions for completion of the Online Budget and Justification.

Subcontractors in the Application

20. Is there a limit to the percentage of work or the amount of funding that can be subcontracted to out of state collaborators?
- A. No limit is specifically imposed by the RFA.
21. Are we required to provide a copy of the subcontract, or the subcontract indirect cost rate, as part of the application or at any time after award?
- A. Draft subcontracts will be requested at time of award. See the NYS Master Grant Contract Section IV.B. The sub-applicant indirect cost rate need not be submitted.
22. Do sub-applicants/subcontractors need to be registered in the NYS Grants Gateway, be pre-qualified and have an SFS Vendor ID number?
- A. Sub-applicants are not required to do so. However, at time of award, the State may require the applicant/sub-applicant provide information the State needs to determine whether a proposed subcontractor is a responsible vendor. See the NYS Master Grant Contract Section IV.B.
23. Are the subcontractor’s Facilities and Administrative costs part of the contractor’s direct costs or are they counted separately?
- A. The subcontractor’s Facilities and Administrative costs are subtracted from the contractor’s direct costs.
24. If proposed work is to be done at a shared core facility at the applicant’s institution, is a subcontract required?
- A. No. These expenses should be included in the applicant’s budget.

Submitting the Application in the NYS Grants Gateway

25. The pdf of the RFA for this grant opportunity does not include the Attachments listed on the last page. Can you please tell me where I can find them?
- A. First you need to obtain a New York State Grants Gateway user account from an individual at your institution with a “Delegated Administrator” roll in the New York State Grants Gateway. Then, to access the attachments of the RFA, you need to log into the Grants Gateway and start an application. Refer to Section IV.E. of the RFA for detailed instructions.
26. What is to be submitted by the application due date?
- A. Refer to RFA Section IV.E. How to Complete and File an Application. An application in response to this RFA may only be submitted through the NYS Grants Gateway; no paper, facsimile or any other type of electronic submissions will be accepted. No other documents will be accepted after the due date.
27. What is the application due date and time?
- A. The application must be successfully uploaded, found to be error-free and accepted through the New York State Grants Gateway no later than 4pm on 9/26/19.
28. How do I get help using the Grants Gateway?
- A. As outlined in RFA Section IV.B., applicants are strongly encouraged to access the guides, videos and training opportunities available via the Grants Team website at: <https://grantsmanagement.ny.gov/resources-grant-applicants>. Technical questions regarding the forms used in the application should be directed to the DOH contact listed on the cover of the RFA up until the application deadline. Grants Gateway questions regarding application completion/submission, registration and policy should be directed to the Grants Team, Monday-Friday from 8am to 4:00 pm at 1-518-474-5595 or grantsgateway@its.ny.gov. Technical issues regarding the NYS Grants Gateway should be directed to the Agate Technical Support Help Desk, Monday-Friday from 8am – 8pm at 1-800-820-1890 or helpdesk@agatesoftware.com. Further, the NYS Grants Team provides ongoing training webinars; the webinar schedule can be found here: <https://grantsmanagement.ny.gov/videos-grant-applicants>.
29. Who can submit an application in the NYS Grants Gateway?
- A. See RFA Section IV.E for information about “roles”. Roles are assigned by the Grants Gateway Delegated Administrator within your organization. Applicants are strongly encouraged to watch the training videos provided on the NYS Grants Gateway website.
30. I accidentally made two application numbers and would like to remove one. How do I do this in the NYS Grants Gateway?

- A. A person from your organization with the user role, Grantee Contract Signatory or Grantee System Administrator, can cancel an application in the NYS Grants Gateway system. They should follow the instructions on how to cancel the application by referring to the vendor user manual, page 67.
https://grantsmanagement.ny.gov/system/files/documents/2019/03/grantsgateway_vendorusermanual03-13-2019.pdf.
31. I am unable to save uploaded files (e.g. Attachment 1, 9 and 10) in the Pre-Submission Uploads section of the NYS Grants Gateway. Where do I find the SAVE button and how do I ensure that each document is saved?
- A. Only a person with the following user roles: Grantee, Grantee Contract Signatory, Grantee Payment Signatory, and Grantee System Administrator, can complete an application in the Grants Gateway system. Please ensure you are signed in with the correct role. More information regarding Grants Gateway user roles can be found on RFA page 7. Please note that only one document may be uploaded for each question. You should Click the SAVE button after each time you upload a file.
32. The upload time for forms and documents can be lengthy. How could this impact a timely submission of my application?
- A. Applicants are strongly encouraged to start completing an application in the NYS Grants Gateway no less than seven days before the due date. Applicants are strongly encouraged to submit proposals at least 48 hours prior to the due date and time. This will allow sufficient opportunity for the applicant to obtain assistance and take corrective action where needed. Both DOH and Grants Team staff are available to answer applicants' technical questions and provide technical assistance prior to the application deadline. However, please note that although DOH and the Grants Team staff will do their best to address concerns that are identified less than 48 hours prior to the due date and time, there is no guarantee that they will be resolved in time for the application to be submitted and, therefore, considered for funding.
33. If there are multiple errors uploading completed application forms to the NYS Grants Gateway, will the applicant be notified of all errors at once, or only one at a time?
- A. A single list of global errors will be produced. It is highly recommended to use the "Check Global Errors" button repeatedly until no errors are found.
34. Is there a checklist that a PI can use to see whether they have completed everything for application submission?
- A. To ensure that all mandatory pass/fail items and penalty items are adequately addressed, see RFA Attachment 2 page 1. The Grants Gateway requires other forms to be completed and submitted as well. See the instructions provided in Pre-Submission Uploads and Program Specific Questions. If files are not uploaded, you will receive an error message

describing what is missing. NOTE: the Grants Gateway does not assess the content or file format of an upload, only if a file upload was successful.

Application Forms

35. Is there a listing of all applications that have received funding through this funding mechanism? Can you provide a copy of an application that has received funding?

A. A listing of previous awardees can be found on the following website:
<https://www.wadsworth.org/extramural/breastcancer/research-support>.

To obtain a copy of an application you must submit a freedom of information request. Information regarding filing a freedom of information request can be found here:
<https://www.health.ny.gov/regulations/foil/>.

36. Is there a prescribed format for the appendices?

A. No, appendix materials are optional and are to be added to the end of the pdf of forms 7-11. Appendix material may include items such as equipment quotes; letters of collaboration or support or commitments to provide research resources; facilities and administrative rate agreements; or up to two highly relevant publications or manuscripts (published or in press) may be included if essential to document the investigator's capability to undertake the work proposed

37. We download all the forms from the Pre-submission Uploads section of the Grants Gateway. Where do we upload them?

A. Most completed application forms will be uploaded in response to Program Specific Questions. Please see the instructions located in the Pre-submission Uploads section of your Grants Gateway application. RFA Attachments 1, 9 and 10 are uploaded in the Pre-submission Uploads section. RFA Attachment 11, if needed, can be uploaded in the Workplan Properties section. Please do not upload other forms in the Pre-submission uploads section as this will cause duplicate uploads. Duplicate uploads may result in different versions of the file being uploaded in those two locations. Only the files uploaded in the correct section of the Grants Gateway will be used for peer review. Uploading files in the wrong section in the Grants Gateway might adversely impact the score of the application.

38. Where should I include letters of collaboration (not co-PI) and collaborators' biographical sketches?

A. Letters of collaboration may be included in the appendices (in the same file as Forms 7-11). Biographical sketches of collaborators named in the workplan and budget should be incorporated to the other biographical sketches using Form 7. The biographical sketches of other collaborators may be included in the appendices. See RFA Attachment 2 for further details.

39. Can we use other biographical sketch forms/formats such as those from the National Institutes of Health (NIH)?
- A. No. A penalty will be assessed if the forms and formats provided in the Pre-submission Upload section on the Grants Gateway are not used. See RFA Attachment 2 for detailed instructions regarding biographical sketches.
40. If an application includes use of human tissue, human subjects, vertebrate animals, etc., are the approvals by the applicable committees required in the application submission?
- A. No. At time of award, all required committee approvals must be submitted.
41. Why are there two workplans in the application?
- A. The Workplan Narrative – Form 9, will be used by the peer reviewers to understand the full context and details of the proposed research plan. See RFA Attachment 2 for instructions. The Online Workplan will be included in a system-generated contract using a standardized format.
42. What are the format specifications of the workplan (font, margins, etc.)?
- A. The forms are pre-set with acceptable fonts, margins, etc. Please refer to RFA Attachment 2 for additional details, page limitations and penalties.
43. Is there a page limit for the Response to Prior Critique section of Form 9 – Workplan Narrative?
- A. Yes, there is a one-page limit for the response. Please see page 11 of RFA Attachment 2 for more information.
44. Are there instructions about how to complete the online portions of the application, workplan and budget?
- A. Yes. See the Grantee User Guide, videos and training materials on the Grants Team website at: www.grantsmanagement.ny.gov and RFA Attachment 2.
45. Are there salary limits for PIs, postdocs or graduate students?
- A. The maximum salary is limited to \$199,000 per person in each budget year and is not adjustable as the federal salary cap changes.
46. Are the Facilities and Administrative costs included in the \$150,000 annual expense limit?
- A. No, Facilities and Administrative costs are in addition to the \$150,000 expense limit.

47. Do we have to submit a budget for the first year or all years? Do we need to have budgets for sub-applicants?
- A. Detailed line item budgets and justifications for applicants and sub-applicants must be submitted for the entire length of the contract. The applicant's Year 1 budget is entered directly into the Grants Gateway while Year 2 is entered to an Excel. The sub-applicant's Year 1 and Year 2 budgets are entered into another Excel file. Detailed instructions are provided in RFA Attachment 2.
48. How much budget justification is necessary?
- A. Fully justify each budget line for each year. Provide sufficient detail to demonstrate that specific uses and amounts of funding have been carefully considered. Also, see RFA Section V.E for review criteria for budget and other aspects of the application.

Minority and Woman-Owned Business Enterprise Requirements

49. Are Minority and Woman-Owned Business Enterprise Requirement forms required to be submitted with the application? Do they have to be submitted if we will not exceed the \$25,000 threshold?
- A. Yes. A completed Form 1 and/or Form 2 must be included in the application submission. See RFA Section IV.I and Attachment 10.
50. We cannot identify MWBE's on the <https://ny.newcontracts.com> website that we can purchase scientific equipment we need for our research. Are there any other resources available for identifying MWBE's that we can use?
- A. No. The <https://ny.newcontracts.com> website that identifies approved MWBE's is always being updated as new vendors are approved so you can periodically check back for new vendors. As part of completing the forms, you must document your efforts to identify MWBE's. **NOTE:** Failure to do due diligence, fill out the forms completely and correctly and attach sufficient documentation in the Pre-submission Uploads section of the application will delay processing for all awarded contracts. If you cannot meet the goal, you must apply for an exemption.

Application Review and Award Process

51. Can we submit a list of individuals with known conflicts of interest?
- A. No. The peer reviewers will be screened for conflicts of interest through a rigorous process implemented by the program's peer review contractor.

RFA Overview

**Department
of Health**

Wadsworth
Center

See RFA pg. 3

Purpose of Funds

To stimulate and support research related to breast cancer biology, causation, prevention, detection or screening, treatment (including treatment of its effects), survivorship or cure.

**Department
of Health**

Wadsworth
Center

Opportunity

- ★ This funding mechanism provides researchers the opportunity to try new methods and approaches in breast cancer research.
- ★ Investigative approaches, including, but not limited to, basic, translational, clinical, demographic, mapping, epidemiological, environmental, behavioral or psychosocial research, may be pursued.

See RFA pg. 4

Responsive Applications Include:

- ★ Highly speculative, exploratory or high-risk projects
- ★ Application or development of technologies, tools and resources
- ★ Innovative or developmental projects
- ★ Testing new hypotheses based on research grounded in a non-breast cancer research area

**Department
of Health**

Wadsworth
Center

See RFA pgs. 3 & 9

Available Funds & Anticipated Contract

- Approximately \$2.16 million is available to support approximately five (5) to seven (7) awards
- Funding is available for a period of up to two (2) years
 - Anticipated Contract period: 1/1/2021 through 12/31/2022
- Annual direct costs are capped at \$150,000 per year
- Additionally, funds will be available to support Facilities and Administrative (F&A) costs up to 20% of modified total direct costs

**Department
of Health**

Wadsworth
Center

See RFA pgs. 3-4

Who May Apply?

The Lead Applicant Organization must be:

a New York State not-for-profit organization

or

a government organization in New York State.

Note, an eligible organization is not limited to the number of applications it can submit in response to the RFA provided that each application is scientifically distinct and has a different PI/PD.

**Department
of Health**

Wadsworth
Center

Who May Apply?

The Principal Investigator/Project Director (PI/PD):

has the skills, knowledge, and resources necessary to carry out the proposed Workplan (not a postdoctoral fellow or dependent staff)

and

may only submit one application in response to the RFA .

See RFA pg. 4

Eligibility to Apply Also Includes the Following Items:

- The PI/PD can not be restricted from receiving Public Health Service (PHS) funding or debarred by the United States Food and Drug Administration (FDA) or any other federal or New York State government entity
- The applicant organization is Prequalified in the NYS Grants Gateway, if not exempt
- The application does not propose:
 - support for a research center,
 - support for a Phase III clinical trial, and
 - expansion of enrollment for an ongoing clinical trial

**Department
of Health**

Wadsworth
Center

Work Plan Overview Form

*Complete in the
Grants Gateway
and use Internet
Explorer Version
11 or higher*

WORK PLAN OVERVIEW FORM

Instructions:

The purpose of this form is to capture organizational information necessary for application processing, as well as a detailed accounting of the proposed or funded project. It is made up of three sections:

1. Project Summary
2. Organizational Capacity
3. Project Details - Objectives, Tasks and Performance Measures

If applicable, specific instructions/requirements for completing these sections may be found in the Grant Opportunity under which you are applying. Click Forms Menu to return to the navigation links.

Work Plan Period From * To *

Project Summary

Provide a high-level overview of the project, including the overall goal and desired outcomes. Include information such as location, target population, overall number of persons to be served, service delivery method and hours of operation.

Copy/Paste the Lay Abstract here

0 of 50000

Organizational Capacity

Describe the staffing, qualifications and ongoing staff development/training activities, and relevant experience of the provider organization to support the project.

Type "not applicable" here

0 of 4000

of Health**

**Wadsworth
Center**

Work Plan Properties

WORK PLAN PROPERTIES

Instructions

1. Pay careful attention to Programmatic requirements when building the work plan.
2. If there are already State Defined Objectives, Tasks and Performance Measures on this page, review them for accuracy. Updates are allowed if the Grantee Updates Allowed checkbox is marked. If the Objective, Task, or Performance Measure Name is marked with a red asterisk, at least one item is required respectively.
3. If there are no State Defined Objectives, Tasks and Performance Measures on this page, add Grantee defined items of your own accordingly. Each Grantee Defined Objective must have at least one Task with at least one Performance Measure.
4. Start by adding an Objective and clicking the Save button.
5. As you complete the fields for Objectives, Tasks and Performance Measures and Save the page, new blank rows will be added to allow entry of additional items.

Work Plan

-

-	Number	New Objective

SHOW HELP

Grant Opportunity Portal - Home

Welcome to the Grants Gateway

The **Grant Opportunity Portal** is online and available to the public, providing a one-stop shop for anyone interested in locating grant funding opportunities with State agencies.

The **Grantee Document Vault** is also available, allowing existing grantees and potential applicants to store key organizational information in a single secure online location for use by all State agencies. In order to use the Document Vault, a grantee must register as a user on the system and provide information on a Delegated Administrator who will manage their user account. This requires submission of a Registration form and accompanying organizational diagram. Note that your Registration form must be signed, notarized and mailed to Gateway Administrators. Plan accordingly to avoid potential delays in applying for upcoming grant opportunities.

Check back regularly as efforts to integrate with the Statewide Financial System are underway.

For additional information see the Grants Reform Website. www.grantsreform.ny.gov

Grants Gateway FAQ

1. How do I apply for an opportunity?
2. Where's a copy of the RFA Attachments?
3. How do I retrieve an application I've already started?
4. How do I retrieve the Q & A document?

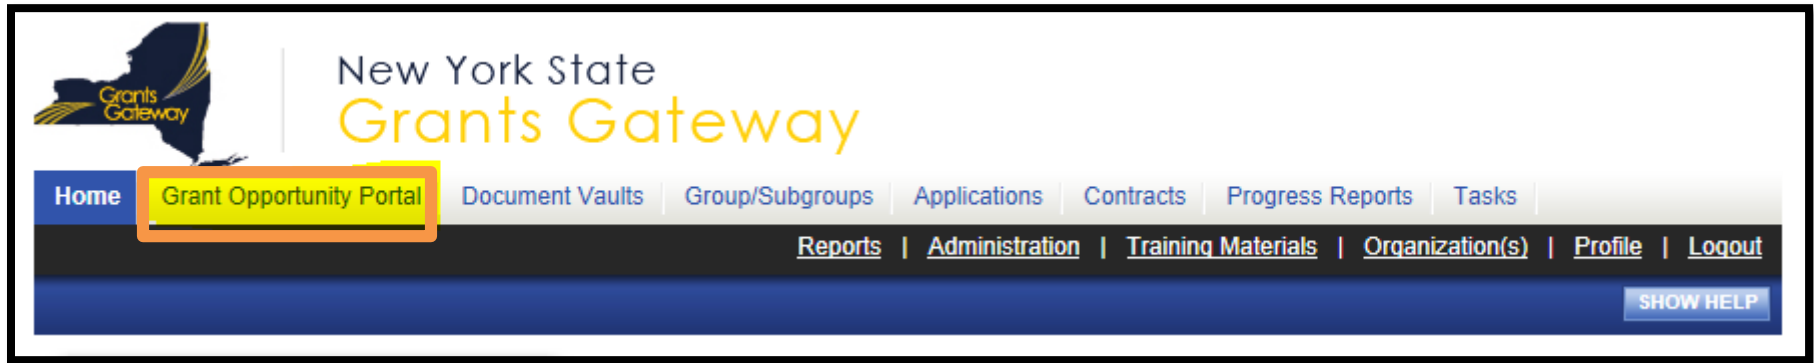

Department
of Health

Wadsworth
Center

Q1: How do I apply for an Opportunity in the Grants Gateway?

- You must be registered in the Grants Gateway to apply
 - See RFA, Section IV. M. for vendor prequalification instructions
 - Refer to resources for grant applicants
<https://grantsmanagement.ny.gov/resources-grant-applicants>
 - Contact your delegated administrator (see RFA pg. 7) for a user name and password

- Login
- Click on the Grants Opportunity Portal tab
- Search using the keywords (Peter T. Rowley), and select the Department of Health as the Funding Agency
- Click on the Grant Opportunity name
- Click Apply for Grant Opportunity to start an application

Department
of Health

Wadsworth
Center

Q2: Where do I download the RFA Attachments?

- Login
- Start an application or retrieve an application that you already started
- Click on the Forms Menu
- Scroll down to Click on Pre-Submission Uploads
- Download each attachment document template

Click on each document template to download each attachment

PRE-SUBMISSION UPLOADS

Instructions:

1. Select the **Browse** button to locate an upload.
2. Select the **Save** button above to load it into the system.
3. If the Grant Opportunity you are applying for requires that a specific document be uploaded, a link to the Document Template will appear under the upload row. Click the link to download and save the Document Template to your computer. Once you have filled out the Document Template you can use the associated **Upload** row to upload the document as part of your application.

Only upload the completed Vendor Responsibility Attestation (Attachment 8), Minority & Women-Owned Business Enterprise Requirement Forms (Attachment 9), and the optional Letter of Intent Form (Attachment 1) in this Pre-Submission Uploads section. All other completed forms (Attachments 3-7) must be uploaded in the Program Specific Questions section.

Attachment 1 - Letter of Intent Form

The prospective applicant institution is strongly encouraged to complete and submit a Letter of Intent. This form will be used to develop the review panel in a timely manner. Letters of Intent should be submitted via the Grants Gateway in the Pre-Submission Uploads section of the online application. The file name should include applicant organization and PI/PD names. A copy must also be e-mailed to hrrsb@health.ny.gov. Please ensure that the RFA number is noted in the e-mail subject line. Submit the Letter of Intent via both formats by the date posted on the cover of the RFA.

of Health

Wadsworth
Center

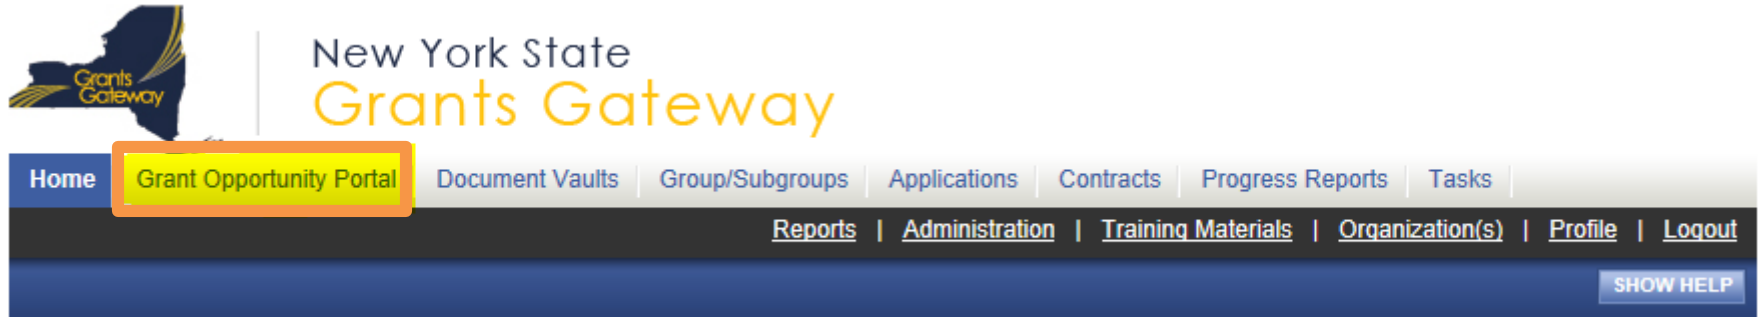

Q3: How do I retrieve an Application I've already started?

- Login
- Click on the Applications link located at the top of your home screen
- Enter search criteria to locate the application
- Click on the Application number to restart the application

Q4: How do I retrieve the Q&A document?

- Click on Grant Opportunity Portal
- Search for Opportunities in the Portal using the keywords (Peter T. Rowley), and select the Department of Health as the Funding Agency.
- Click on the Grant Opportunity name
- Full Document details are listed on the Grant Opportunity Profile, which includes a Questions and Answers link
